**WHEREAS**, the Agency previously determined in its Master Authorizing Resolution that although the Master Facility is used in making retail sales to customers who visit the Master Facility and would be considered a “retail facility”, based upon the representations and warranties of the Master Company and Master Company Counsel and the report from Camoin Associates, Inc. dated June 12, 2018, the Master Facility is located in a “highly distressed area” as described in §862(2)(b) of the Act and therefore the Facility, as part of the Master Facility, is not subject to the prohibitions on providing financial assistance to retail facilities; and

**WHEREAS**, the Agency previously determined in its Master Authorizing Resolution that Master Project will not have a significant adverse impact or significant adverse effect on the environment as defined under SEQRA; and

**WHEREAS**, in compliance with §859-a of the Act, the Agency on June 25, 2018 held a public hearing on the grant of financial assistance with regard to the Master Project following publication in the *Poughkeepsie Journal* on June 10, 2018 of a notice of the public hearing; and

**WHEREAS**, in compliance with §859-a of the Act and Section 9.1(d) of the Master Lease, the Agency on September 3, 2020 held a public hearing on the grant of the Phase II-D Financial Assistance as set forth herein following publication in the *Poughkeepsie Journal* on August 19, 2020 of a notice of the public hearing and on August 23, 2020 of an updated notice of public hearing; and

**WHEREAS**, the Company has agreed to indemnify the Agency against certain losses, claims, expenses, damages and liabilities that may arise in connection with the transaction contemplated by the leasing of the Phase II-D Facility by the Agency to the Company.

**NOW, THEREFORE, BE IT RESOLVED**, by the Agency (a majority of the members thereof affirmatively concurring) as follows:

Section 1. The Agency reaffirms and readopts the findings and determinations in its Master Authorizing Resolution with regard to the Master Facility.

Section 2. The Agency hereby finds and determines:

(a) By virtue of the Act, the Agency has been vested with all powers necessary and convenient to carry out and effectuate the purposes and provisions of the Act and to exercise all powers granted to it under the Act; and

(b) The Phase II-D Facility constitutes a “project”, as such term is defined in the Act; and

(c) The public hearing held by the Agency on September 3, 2020, concerning the grant of the Phase II-D Financial Assistance as set forth herein and the nature and location of the Phase II-D Facility was duly held in accordance with the laws of the State of New York, including but not limited to the giving of public notice of the meeting a reasonable time before the meeting and affording a reasonable opportunity for persons with differing views to be heard on

Agency's providing the financial assistance contemplated herein and the location and nature of the Phase II-D Facility; and

(d) The Project Work and the leasing of the Phase II-D Facility to the Company will promote and maintain the job opportunities, health, general prosperity and economic welfare of the citizens of Dutchess County and the State of New York and improve their standard of living and thereby serve the public purposes of the Act; and

(e) The Project Work is reasonably necessary to induce the Company to maintain and expand their business operations in the State of New York and to discourage the Company from removing their facility to a location outside the state and to preserve the competitive position of the Company in their respective industry; and

(f) The Phase II-D Project will serve the Agency's public purposes as set forth in the Act by preserving or increasing the number of permanent, private sector jobs in Dutchess County and the State of New York.

(g) Based upon representations of the Company and Company Counsel, the Phase II-D Facility conforms with the local zoning laws and planning regulations of Dutchess County and all regional and local land use plans for the area in which the Phase II-D Facility is located; and

(h) It is desirable and in the public interest for the Agency to approve the requested Phase II Financial Assistance to the Phase II-D Facility; and

(i) The Company Lease will be an effective instrument whereby the Agency leases the Phase II-D Facility from the Company; and

(j) The Lease Agreement will be an effective instrument whereby: (1) the Agency leases and subleases the Phase II-D Facility to the Company; (2) the Agency and the Company set forth the terms and conditions of their agreement regarding the Company's payments-in-lieu of real property taxes; (3) the Company agrees to comply with all Environmental Laws (as defined therein) applicable to the Phase II-D Facility and will indemnify and hold harmless the Agency for all liability under all such Environmental Laws; and (4) the Agency and the Company set forth the circumstances in which the Agency may recapture some or all of the benefits granted to the Company in the event any enumerated Recapture Event (as defined therein) occurs.

Section 3. Subject to (i) the Company executing the Company Lease, the Lease Agreement, and the Bill of Sale and (ii) the delivery to the Agency of a binder, certificate or other evidence of liability insurance policy for the Phase II-D Facility satisfactory to the Agency, the Agency hereby authorizes the Company to proceed with the Project Work and appoints the Company as the true and lawful agent of the Agency.

Section 4. In consequence of the foregoing, the Agency hereby determines to: (i) sublease the Phase II-D Facility to the Company pursuant to the Lease Agreement, (ii) execute, deliver and perform the Lease Agreement; and (iii) execute and deliver the Company Lease.

Section 5. The Agency is hereby authorized to acquire a leasehold interest in the real property and personal property described in Exhibit A and Exhibit B, respectively, to the Lease Agreement and to do all things necessary or appropriate for the accomplishment thereof, and all acts heretofore taken by the Agency with respect to such acquisition are hereby approved, ratified and confirmed.

Section 6. The form and substance of the Company Lease and the Lease Agreement (each in substantially the forms presented to the Agency and which, prior to the execution and delivery thereof, may be redated and renamed) are hereby approved.

Section 7. The Agency hereby authorizes and approves the Phase II-D Financial Assistance to be granted to the Company in connection with the Phase II-D Project.

Section 8. Recapture Provisions. The Agency has retained certain recapture rights under the terms and conditions of the Lease Agreement, of which Section 5.4 relating to recapture rights is attached hereto and made a part hereof as Exhibit B, upon the occurrence of a Recapture Event as defined therein.

Section 9. Based upon the representation and warranties made by the Company in the Application, the Agency hereby authorizes and approves the Company, as its agents, to make purchases of goods and services relating to the Phase II-D Facility and that would otherwise be subject to New York State and local sales and use tax in an amount up to approximately \$421,883.07, which result in New York State and local sales and use tax exemption benefits (“**sales and use tax exemption benefits**”) not to exceed \$34,278.00. The Agency agrees to consider any requests by the Company for increases to the amount of sales and use tax exemption benefits authorized by the Agency upon being provided with appropriate documentation detailing the additional purchases of property or services, and, to the extent required, the Agency authorizes and conducts any supplemental public hearing(s).

Section 10.

(a) The Chairman, Vice Chairman, any member of the Agency or the Executive Director are hereby authorized, on behalf of the Agency, to execute and deliver the Company Lease and the Lease Agreement (including any Mortgage and accompanying Assignment of Leases and Rents and Consents to Assignment and any other financing documents reasonably approved as to form and substance by the Executive Director and counsel to the Agency), all in substantially the forms thereof presented to this meeting with such changes, variations, omissions and insertions as the Chairman, Vice Chairman, any member of the Agency or the Executive Director shall approve, and such other related documents as may be, in the judgment of the Executive Director and Agency Counsel and Transaction Counsel, necessary or appropriate to effect the transactions contemplated by this resolution (hereinafter collectively called the “**Agency Documents**”). The execution thereof by the Chairman, Vice Chairman, any member of the Agency or the Executive Director of the Agency shall constitute conclusive evidence of such approval.

(b) The Chairman, Vice Chairman, any member of the Agency and the Executive Director of the Agency are further hereby authorized, on behalf of the Agency, to designate any additional Authorized Representatives of the Agency (as defined in and pursuant to

the Lease Agreement). The Agency hereby appoints each Member of the Agency, Agency Counsel and Transaction Counsel to serve as an Assistant Secretary of the Agency for purposes of this transaction.

Section 11. The officers, employees and agents of the Agency are hereby authorized and directed for and in the name and on behalf of the Agency to do all acts and things required or provided for by the provisions of the Agency Documents, and to execute and deliver all such additional certificates, instruments and documents, pay all such fees, charges and expenses and to do all such further acts and things as may be necessary or, in the opinion of the officer, employee or agent acting, desirable and proper to effect the purposes of the foregoing resolution and to cause compliance by the Agency with all of the terms, covenants and provisions of the Agency Documents binding upon the Agency.

  - (v) Any significant deviations from the Project Application Information which would constitute a significant diminution of the Company’s activities in, or commitment to Dutchess County, New York; or
  - (vi) The Company receives Sales Tax Savings in connection with the Project Work in excess of the Maximum Company Sales Tax Savings Amount; provided, however, that the foregoing shall constitute a Recapture Event with respect to such excess Sales Tax Savings only. (d) Notwithstanding the foregoing, a Recapture Event shall not be deemed to have occurred as a result of an assignment of any Parcel by the Company to a future lessee in connection with the construction, improvement, reconstruction, repair, renovation, installation, furnishing, equipping and/or operation of the Project or any termination of this Lease Agreement as to only one or more Parcels so assigned, all as permitted pursuant to Section 9.1(d) hereunder.

after the Facility shall have been destroyed or damaged in whole or in part (such occurrence a “**Loss Event**”) to rebuild, repair, restore or replace the Facility to substantially its condition prior to such Loss Event, which inability or failure shall have arisen in good faith on the part of the Company or any of its affiliates so long as the Company or any of its affiliates have diligently and in good faith using commercially reasonable efforts pursued the rebuilding, repair, restoration or replacement of the Facility or part thereof.

(f) The Company covenants and agrees to furnish the Agency with written notification (i) within sixty (60) days of the end of each Tax Year of the number of FTEs located at the Facility for such Tax Year, and (ii) within thirty (30) days of actual notice of any facts or circumstances which would likely lead to a Recapture Event or constitute a Recapture Event hereunder. The Agency shall notify the Company of the occurrence of a Recapture Event hereunder, which notification shall set forth the terms of such Recapture Event.

(g) In the event any payment owing by the Company under this Section shall not be paid on demand by the Agency, such payment shall bear interest from the date of such demand at a rate equal to one percent (1%) plus the Prime Rate, but in no event at a rate higher than the maximum lawful prevailing rate, until the Company shall have made such payment in full, together with such accrued interest to the date of payment, to the Agency (except as otherwise specified above).

(h) The Agency shall be entitled to deduct all reasonable out of pocket expenses of the Agency, including without limitation, reasonable legal fees, incurred with the recovery of all amounts due under this Section 5.4, from amounts received by the Agency pursuant to this Section 5.4.
