AGREEMENT

For and in consideration of the premises and the mutual covenants hereinafter contained, the parties hereto do hereby mutually agree as follows:

ARTICLE I DEFINITIONS

All capitalized terms used in this Lease Agreement and not otherwise defined herein shall have the meanings assigned thereto in the Schedule of Definitions attached hereto as Schedule A.

ARTICLE II REPRESENTATIONS AND COVENANTS

Section 2.1 Representations and Covenants of Agency. The Agency makes the following representations and covenants as the basis for the undertakings on its part herein contained:

(a) The Agency is duly established and validly existing under the provisions of the Act and has full legal right, power and authority to execute, deliver and perform each of the Agency Documents and the other documents contemplated thereby. Each of the Agency Documents and the other documents contemplated thereby has been duly authorized, executed and delivered by the Agency.

(b) The Agency will acquire a leasehold interest in the Land and Improvements, and will lease and sublease the Facility to the Company pursuant to this Lease Agreement, all for the Public Purposes of the State.

(c) By resolution dated June 27, 2018, the Agency determined that, based upon the review by the Agency of the materials submitted and the representations made by the Company relating to the Facility, the Facility would not have a "significant impact" or "significant effect" on the environment within the meaning of the SEQR Act. The Agency also acknowledges that the Town of Hyde Park Planning Board, serving as Lead Agency, has on January 3, 2018 adopted a negative declaration, determining that the proposed construction of the Inn at Bellefield would not result in any significant adverse environmental impacts, and in all other respects adopted, as its own SEQR Findings, the Findings Statement as adopted by the Town Board on June 13, 2017.

(d) Neither the execution and delivery of any of the Agency Documents and the other documents contemplated thereby or the consummation of the transactions contemplated thereby nor the fulfillment of or compliance with the provisions of any of the Agency Documents and the other documents contemplated thereby will conflict with or result in a breach of or constitute a default under any of the terms, conditions or provisions of the Act, any other law or ordinance of the State or any political subdivision thereof, the Agency's Certificate of Establishment or By-Laws, as amended, or any corporate restriction or any agreement or instrument to which the Agency is a party or by which it is bound, or result in the creation or imposition of any Lien of any nature upon any of the Property of the Agency under the terms of the Act or any such law,

ordinance, Certificate of Establishment, By-Laws, restriction, agreement or instrument, except for Permitted Encumbrances.

(e) Each of the Agency Documents and the other documents contemplated thereby constitutes a legal, valid and binding obligation of the Agency enforceable against the Agency in accordance with its terms.

(f) The Agency has been induced to enter into this Lease Agreement by the undertaking of the Company to utilize the Facility in Dutchess County, New York in furtherance of the Public Purposes of the Agency.

(g) The Agency will execute, acknowledge (if appropriate) and deliver from time to time such instruments and documents which are necessary or desirable to carry out the intent and purposes of this Lease Agreement.

(h) The undertaking of the Project is anticipated to serve the Public Purposes of the State by preserving permanent, private sector jobs or increasing the overall number of permanent, private sector jobs in the State.

Section 2.2 Representations and Covenants of Company. The Company makes the following representations and covenants as the basis for the undertakings on its part herein contained:

(a) The Company is a business corporation, organized and existing under the laws of the State of New York, is in good standing under the laws of the State of New York and has full legal right, power and authority to execute, deliver and perform each of the Company Documents and the other documents contemplated thereby. Each of the Company Documents and the other documents contemplated thereby has been duly authorized, executed and delivered by the Company.

(b) Neither the execution and delivery of any of the Company Documents and the other documents contemplated thereby or the consummation of the transactions contemplated thereby nor the fulfillment of or compliance with the provisions of any of the Company Documents and the other documents contemplated thereby will conflict with or result in a breach of or constitute a default under any of the terms, conditions or provisions of any law or ordinance of the State or any political subdivision thereof, the Company's Organizational Documents, as amended, or any restriction or any agreement or instrument to which the Company is a party or by which it is bound, or result in the creation or imposition of any Lien of any nature upon any of the Property of the Company under the terms of any such law, ordinance, Organizational Documents, as amended, restriction, agreement or instrument, except for Permitted Encumbrances.

(c) The Facility and the design, and operation of the Facility will conform with all applicable zoning, planning, building and Environmental Laws, ordinances, rules and regulations of governmental authorities having jurisdiction over the Facility. Under penalty of perjury, the Company certifies that it is in substantial compliance with all local, state, and federal tax, worker protection and environmental laws, rules and regulations.

(d) Each of the Company Documents and the other documents contemplated thereby constitutes a legal, valid and binding obligation of the Company enforceable against the Company in accordance with its terms.

(e) The Facility is and will continue to be a "project" as such quoted term is defined in the Act. The Company will not take any action, or fail to take any action, which action or failure to act would cause the Facility not to constitute a "project" as such quoted term is defined in the Act.

(f) The transactions contemplated by this Lease Agreement shall not result in the removal of any facility or plant of any Facility occupant(s) from one area of the State to another area of the State or in the abandonment of one or more facilities or plants of the Facility occupant(s) located within the State.

(g) The Company agrees to take any actions reasonably deemed necessary by the Agency, or its Chairman, Vice Chairman, Executive Director, or any member or officer of the Agency, counsel to the Agency or Transaction Counsel, in order to ensure compliance with Sections 2.2(e) and (f) and 9.3 of this Lease Agreement provided that the Company receives duly acknowledged written confirmation from the Agency setting forth the reason(s) for said action(s). Without limiting the generality of the foregoing, the Company will provide the Agency with any and all information and materials describing proposed Facility occupants as necessary.

(h) The Company will sublease and lease the Facility in accordance with the provisions hereof, including, but not limited to, Section 9.3 hereof.

(i) The Company hereby represents to the Agency that facilities and property that are primarily used in making retail sales of goods and services to customers who personally visit the Facility will not constitute more than one-third (1/3) of the total costs of the Facility, except in accordance with New York General Municipal Law (the "GML") Section 862.

(j) There is no action or proceeding pending or, to the best of the Company's knowledge, after diligent inquiry, threatened, by or against the Company by or before any court or administrative agency that would adversely affect the ability of the Company to perform its obligations under this Lease Agreement or any other Company Document.

(k) The Company has obtained all authorizations, consents and approvals of governmental bodies or agencies required to be obtained by it as of the Closing Date in connection with the execution and delivery of this Lease Agreement and each other Company Document or in connection with the performance of its obligations hereunder and under each Company Document.

(l) The Project Application Information was true, correct and complete as of the date submitted to the Agency, and no event has occurred or failed to occur since such date of submission which could cause any of the Project Application Information to include any untrue statement of a material fact or omit to state any material fact required to be stated therein to make such statements not misleading.

ARTICLE III
CONVEYANCE OF FACILITY SITE; PROJECT WORK AND COMPLETION

Section 3.1 Agreement to Convey to Agency. The Company has conveyed or has caused to be conveyed to the Agency a leasehold interest in the Land, including any buildings, structures or other improvements thereon, and will convey or cause to be conveyed to the Agency lien-free title to or a leasehold interest in the Improvements acquired after the date hereof, in each case except for Permitted Encumbrances.

Section 3.2 Title Report and Survey. The Company has obtained and delivered to the Agency (i) a title report (in form and substance acceptable to the Agency) reflecting all matters of record with respect to the Land and existing Improvements, including municipal searches and (ii) a current or updated survey of each of the Land and the existing Improvements certified to the Agency.

Section 3.3 Public Authorities Law Representations. The parties hereto hereby acknowledge and agree that the Facility and the interest therein to be conveyed by this Lease Agreement are not "Property" as defined in Article 9, Title 5-A of the Public Authorities Law of the State because the Facility and the leasehold interests therein are securing the financial obligations of the Company. The Facility and the leasehold interests therein secure the obligations of the Company to the Agency under this Lease Agreement, including the Company's obligation to acquire and maintain the Facility on behalf of the Agency and the Company's obligation to indemnify and hold harmless the Agency.

Section 3.4 Project Work.

(a) The Company agrees that, on behalf of the Agency, it will complete the Project Work in accordance with the Plans and Specifications.

(b) The Company may revise the Plans and Specifications from time to time without the consent or approval of the Agency; provided that the Facility shall retain its overall configuration and intended purposes and shall remain a "project" as defined in the Act.

(c) Except as set forth in Section 6.2 hereof, fee or leasehold title, as applicable, to all materials, equipment, machinery and other items of Property incorporated or installed in or placed in, upon, or under the Facility shall vest in the Agency immediately upon the Company's obtaining an interest in or to the materials, equipment, machinery and other items of Property. The Company shall execute, deliver and record or file all instruments necessary or appropriate so to vest such title in the Agency and shall take all action necessary or appropriate to protect such title against claims of any third Persons.

(d) The Agency shall enter into, and accept the assignment of, such contracts as the Company may request in order to effectuate the purposes of this Section 3.4.

(e) The Company, as agent for the Agency, shall comply in all material respects with all provisions of the Labor Law of the State applicable to the completion of the Project Work and shall include in all construction contracts all provisions which may be required to be inserted

therein by such provisions. The provisions of this subsection do not create any obligations or duties not created by applicable law outside of the terms of this Lease Agreement.

Section 3.5 Reserved.

Section 3.6 Certificates of Completion. To establish the Completion Date, the Company shall deliver to the Agency (i) a certificate signed by an Authorized Representative of the Company in the form set forth in Exhibit J attached hereto, together with all attachments required thereunder stating (a) that the Project Work has been completed in accordance with the Plans and Specifications therefor, and (b) that payment for all labor, services, materials and supplies used in such Project Work has been made or provided for; (ii) the Final Project Cost Budget, which budget will include a comparison with the project cost budget information listed in the Project Application Information and shall include all costs paid or incurred by the Company in connection with the Facility, and (iii) such other certificates and information as may be reasonably satisfactory to the Agency. The Company shall not be entitled to any refund or credit of the Agency's fee if the Final Project Cost Budget is lower than provided in the Project Application Information. The Company agrees that the Completion Date shall be no later than November 30, 2020.

Section 3.7 Remedies to Be Pursued Against Contractors, Subcontractors, Materialmen and Their Sureties. In the event of a default by any contractor, subcontractor, materialman or other Person under any contract made by it in connection with the Facility or in the event of a breach of warranty or other liability with respect to any materials, workmanship or performance guaranty, the Company at its expense, either separately or in conjunction with others, may pursue any and all remedies available to it and the Agency, as appropriate, against the contractor, subcontractor, materialman or other Person so in default and against any surety for the performance of such contract. The Company, in its own name or in the name of the Agency, may prosecute or defend any action or proceeding or take any other action involving any such contractor, subcontractor, materialman, surety or other Person which the Company deems reasonably necessary, and in such event the Agency, at the Company's sole cost and expense, hereby agrees to cooperate fully with the Company and to take all action necessary to effect the substitution of the Company for the Agency in any such action or proceeding. The Net Proceeds of any recovery from a contractor or subcontractor or materialman or other person shall be paid to the Company.

ARTICLE IV
LEASE OF FACILITY RENTAL PROVISIONS

Section 4.1 Lease of Facility. The Agency hereby subleases and leases the Facility, consisting of the Land as more particularly described in Exhibit A attached hereto and the Improvements to the Company and the Company hereby takes the Facility from the Agency upon the terms and conditions of this Lease Agreement.

Section 4.2 Duration of Lease Term; Quiet Enjoyment.

(a) The Agency shall deliver to the Company sole and exclusive possession of the Facility (subject to Sections 8.1 and 10.2 hereof), and the leasehold and subleasehold estate

created hereby shall commence, and the Company shall accept possession of the Facility on the Closing Date.

(b) Except as provided in Sections 10.2 and 11.1 hereof, the estate created hereby shall terminate at 11:58 p.m. on December 31, 2031 (the “**Lease Term**”).

(c) Except as provided in Sections 8.1 and 10.2 hereof, the Agency shall neither take nor suffer or permit any action to prevent the Company during the Lease Term from having quiet and peaceable possession and enjoyment of the Facility and will, at the request of the Company and at the Company’s sole cost and expense, cooperate with the Company in order that the Company may have quiet and peaceable possession and enjoyment of the Facility as hereinabove provided.

Section 4.3 Rents and Other Amounts Payable.

(a) The Company shall pay basic rent for the Facility as follows: One Dollar (\$1.00) per year commencing on the Closing Date and on each and every January 1 thereafter during the term of this Lease Agreement. In addition, the Company shall pay to the Agency an annual compliance fee of \$500 on or before January 1 of each year commencing January 1, 2020 and continuing through the Lease Term.

(b) In addition to the payments of basic rent pursuant to Section 4.3(a) hereof, throughout the Lease Term, the Company shall pay to the Agency as additional rent, within ten (10) days of receipt of demand therefor, an amount equal to the sum of the expenses of the Agency and the members thereof incurred (i) by reason of the Agency’s ownership, leasing, subleasing, or financing of the Facility, or (ii) in connection with the carrying out of the Agency’s duties and obligations under the Agency Documents, the payment of which is not otherwise provided for under this Lease Agreement. The foregoing shall be in addition to any annual or continuing administrative or management fee imposed by the Agency now or hereafter.

(c) The Company, under the provisions of this Section 4.3, agrees to make the above-mentioned payments in immediately available funds and without any further notice in lawful money of the United States of America. In the event the Company shall fail to timely make any payment required in Section 4.3(a) or 4.3(b), the Company shall pay the same together with interest on such payment at a rate equal to two percent (2%) plus the Prime Rate, but in no event at a rate higher than the maximum lawful prevailing rate, from the date on which such payment was due until the date on which such payment is made.

Section 4.4 Obligations of Company Hereunder Unconditional. The obligations of the Company to make the payments required in Section 4.3 hereof, and to perform and observe any and all of the other covenants and agreements on its part contained herein, shall be general obligations of the Company, and shall be absolute and unconditional irrespective of any defense or any rights of setoff, recoupment or counterclaim it may otherwise have against the Agency. The Company agrees it will not (i) suspend, discontinue or abate any payment required hereunder, or (ii) fail to observe any of its other covenants or agreements in this Lease Agreement.

Section 4.5 No Warranty of Condition or Suitability by Agency. THE AGENCY HAS MADE AND MAKES NO REPRESENTATION OR WARRANTY WHATSOEVER, EITHER EXPRESS OR IMPLIED, WITH RESPECT TO THE MERCHANTABILITY, CONDITION, FITNESS, DESIGN, OPERATION OR WORKMANSHIP OF ANY PART OF THE FACILITY, ITS FITNESS FOR ANY PARTICULAR PURPOSE, THE QUALITY OR CAPACITY OF THE MATERIALS IN THE FACILITY, OR THE SUITABILITY OF THE FACILITY FOR THE PURPOSES OR NEEDS OF THE COMPANY OR THE EXTENT TO WHICH FUNDS AVAILABLE TO THE COMPANY WILL BE SUFFICIENT TO PAY THE COST OF COMPLETION OF THE PROJECT WORK. THE COMPANY ACKNOWLEDGES THAT THE AGENCY IS NOT THE MANUFACTURER OF THE EQUIPMENT NOR THE MANUFACTURER'S AGENT NOR A DEALER THEREIN. THE COMPANY, ON BEHALF OF ITSELF, IS SATISFIED THAT THE FACILITY IS SUITABLE AND FIT FOR PURPOSES OF THE COMPANY. THE AGENCY SHALL NOT BE LIABLE IN ANY MANNER WHATSOEVER TO THE COMPANY OR ANY OTHER PERSON FOR ANY LOSS, DAMAGE OR EXPENSE OF ANY KIND OR NATURE CAUSED, DIRECTLY OR INDIRECTLY, BY THE PROPERTY OF THE FACILITY OR THE USE OR MAINTENANCE THEREOF OR THE FAILURE OF OPERATION THEREOF, OR THE REPAIR, SERVICE OR ADJUSTMENT THEREOF, OR BY ANY DELAY OR FAILURE TO PROVIDE ANY SUCH MAINTENANCE, REPAIRS, SERVICE OR ADJUSTMENT, OR BY ANY INTERRUPTION OF SERVICE OR LOSS OF USE THEREOF OR FOR ANY LOSS OF BUSINESS HOWSOEVER CAUSED.

ARTICLE V
PILOT PAYMENTS AND RECAPTURE OF BENEFITS

Section 5.1 PILOT Payments.

(a) As long as this Lease Agreement is in effect, the Company agrees to make payments in lieu of all real estate taxes and assessments (the "**PILOT Payments**") (in addition to paying all special ad valorem levies, special assessments or Special District Taxes and service charges against real property located in the Town of Hyde Park, Hyde Park Central School District, Dutchess County (including any existing incorporated village or any village which may be incorporated after the date hereof, within which the Facility is or may be wholly or partially located) (the "**Taxing Authorities**") which are or may be imposed for special improvements or special district improvements) which would be levied upon or with respect to the Facility if the Facility were owned by the Company exclusive of the Agency's leasehold interest (the "**Taxes on the Facility**"). The method of calculation for such PILOT Payments are set forth in Exhibit C attached hereto. PILOT Payments shall be allocated among the Taxing Authorities in proportion to the amount of real property tax and other taxes which would have been received by each Taxing Authority if the Facility was owned by the Company exclusive of the Agency's leasehold interest.

(b) After the effective date of this Lease Agreement and until the provisions of paragraph 5.1(c) become effective, the Company shall pay, as payments in lieu of taxes and assessments, one hundred percent (100%) of the taxes and assessments that would be levied upon the Facility by the respective Taxing Authorities if the Facility were owned by the Company exclusive of the Agency's leasehold interest.

(c) In each tax year during the term of this Lease Agreement, commencing with the first tax year following the Completion Date, the Company shall pay, as PILOT Payments, the amounts calculated as set forth on Exhibit C attached hereto and made a part hereof.

(d) The Company shall pay, or cause to be paid, the amounts set forth in subsections (a), (b) and (c) above, as applicable, after receipt of tax bills from the Agency or the Taxing Authorities, as the case may be. Failure to receive a tax bill shall not relieve the Company of its obligation to make all payments provided for hereunder. If, for any reason, the Company does not receive an appropriate tax bill, the Company shall have the responsibility and obligation to make all reasonable inquiries to the Taxing Authorities and to have such a bill issued, and thereafter to make payment of the same no later than the due dates provided therein. PILOT Payments shall be made directly to the Agency. PILOT Payments made after the due date(s) as set forth in the applicable tax bills shall accrue interest (and penalties) at the rates applicable to late payments of taxes for the respective Taxing Authorities and as further provided in the GML, including Section 874(5) thereof, which currently provides for an initial penalty of five percent (5%) of the amount due and an additional penalty of one percent (1%) per month on payments more than one (1) month delinquent.

(e) During the Lease Term, the Company shall continue to pay all special ad valorem levies, special assessments, and service charges levied against the Facility for special improvements or special district improvements.

(f) In the event that any structural addition shall be made to the building or buildings included in the Facility subsequent to the Completion Date, or any additional building or improvement shall be constructed on the Land (such structural additions, buildings and improvements being referred to hereinafter as "**Additional Facilities**"), the Company agrees to make additional payments in lieu of taxes to the Agency in amounts as set forth in Exhibit C. All other provisions of this Section 5.1 shall apply to this obligation for additional payments.

(g) In the event that the Agency's leasehold interest in the Facility or any part thereof terminates at such time in reference to any taxable status date as to make it impossible to place such Facility or part thereof on the tax rolls of the Taxing Authorities, or appropriate special districts, as the case may be, by such taxable status date, the Company hereby agrees to pay, at the first time taxes or assessments are due following the taxable status date on which such Facility or part thereof is placed on the tax rolls, an amount equal to the taxes or assessments which would have been levied on such Facility or part thereof had it been on the tax rolls from the time of the termination of the Agency's leasehold interest until the date of the tax rolls following the taxable status date as of which such Facility or part thereof is placed on the tax rolls. There shall be deducted from such amount any amounts previously paid pursuant to this Section 5.1 by the Agency or the Company to the respective Taxing Authorities relating to any period of time after the date of termination of the Agency's interest. The provisions of this subsection (g) shall survive the termination or expiration of the Lease Agreement. Any rights the Company may have against its respective designees are separate and apart from the terms of this subsection (g), and this subsection (g) shall survive any transfer from the Agency to the Company.

(h) In the event the Facility or any part thereof is declared to be subject to taxation for taxes or assessments by an amendment to the Act or other legislative change or by a final

judgment of a court of competent jurisdiction, the obligations of the Company under this Section 5.1 shall, to such extent, be null and void.

(i) In the event the Company shall enter into a subsequent payment-in-lieu-of-tax agreement or agreements with respect to the Taxes on the Facility directly with any or all Taxing Authorities in the jurisdiction of which the Facility is located, the obligations of the Company under this Section 5.1, which are inconsistent with such future agreement or agreements, shall be superseded and shall, to such extent, be null and void.

(j) As long as this Lease Agreement is in effect, the Agency and the Company agree that (i) the Company shall be deemed to be the owner of the Facility and of the Additional Facilities for purposes of instituting, and shall have the right to institute, administrative or judicial review of an assessment of the real estate with respect to the Facility and of the Additional Facilities pursuant to the provisions of Article 7 of the Real Property Tax Law or any other applicable law, as the same may be amended from time to time, and (ii) the Agency, at the request of the Company, shall request the Assessor of the Town of Hyde Park, or any other assessor having jurisdiction to assess the Facility, to take into consideration the value of surrounding properties of like character when assessing the Facility. Notwithstanding the foregoing, in the event that the assessment of the real estate with respect to the Facility and the Additional Facilities is reduced as a result of any such administrative or judicial review so that such complaining party would be entitled to receive a refund or refunds of taxes paid to the respective Taxing Authorities, if such complaining party were the owner of the Facility and the Additional Facilities exclusive of the Agency's leasehold interest therein, such complaining party shall not be entitled to receive a refund or refunds of the PILOT Payments paid pursuant to this Lease Agreement and the PILOT Payments set forth on Exhibit C hereto shall not be reduced. In that event, such complaining party shall be entitled to receive a credit against future PILOT Payments to be paid pursuant to this Lease Agreement, as and when collected by the Agency or the respective Taxing Authorities (as the case may be), in an amount equal to any refund that such complaining party would be entitled to receive if such complaining party were the owner of the Facility and the Additional Facilities exclusive of the Agency's leasehold interest therein; provided, however, that the Agency shall have no obligation to provide a credit against PILOT Payments which it has remitted to any of the respective Taxing Authorities before the date the Agency receives written notice from the complaining party that it seeks a credit. In no event shall the Agency be required to remit to the Company or any Taxing Authority any moneys otherwise due as a result of a reduction in the assessment of the Facility (or any part thereof) due to a certiorari review. If the Company receives a reduction in assessment in the last year of the Lease Agreement after it has made its final payments in lieu of taxes, the Company acknowledges that it shall look solely to the Taxing Authorities for repayment or for a credit against the first payment(s) of Taxes on the Facility which will be due after the Facility is returned to the tax rolls. The Company hereby agrees that it will notify the Agency if the Company shall have requested a reassessment of the Facility or a reduction in the taxes on the Facility or shall have instituted any tax certiorari proceedings with respect to the Facility. The Company shall deliver to the Agency copies of all notices, correspondence, claims, actions and/or proceedings brought by or against the Company in connection with any reassessment of the Facility, reduction of taxes with respect to the Facility or tax certiorari proceedings with respect to the Facility.

(d) Reserved.

(e) Furthermore, notwithstanding the foregoing, a Recapture Event shall not be deemed to have occurred if the Recapture Event shall have arisen as a result of (i) a “force majeure” event (as more particularly defined in Section 10.1(b) hereof), (ii) a taking or condemnation by governmental authority of all or part of the Facility, or (iii) the inability or failure of the Company after the Facility shall have been destroyed or damaged in whole or in part (such occurrence a “**Loss Event**”) to rebuild, repair, restore or replace the Facility to substantially its condition prior to such Loss Event, which inability or failure shall have arisen in good faith on the part of the Company or any of its affiliates so long as the Company or any of its affiliates have diligently and in good faith using commercially reasonable efforts pursued the rebuilding, repair, restoration or replacement of the Facility or part thereof.

(h) The Agency shall be entitled to deduct all reasonable out of pocket expenses of the Agency, including without limitation, reasonable legal fees, incurred with the recovery of all amounts due under this Section 5.4, from amounts received by the Agency pursuant to this Section 5.4.

(i) The Company acknowledges that Section 5.4 is intended to reflect the Agency's "Policy on Maintaining Performance Based Incentives (MPBI)" a copy of which is attached hereto as Exhibit G and made a part hereof, and that such policy includes the process by which the Agency will review any performance based incentive deficiencies, the Company's explanations and proposed cures thereof and exercise any remedies hereunder or waiver of same. In the event of a conflict between the provisions of Section 5.4 and the provisions set forth on Exhibit G, the provisions set forth on Exhibit G shall control.

ARTICLE VI MAINTENANCE, MODIFICATIONS, TAXES AND INSURANCE

Section 6.1 Maintenance and Modifications of Facility by Company.

(a) The Company shall not abandon the Facility or cause or permit any waste to the Improvements. During the Lease Term, the Company shall not remove any material part of the Facility outside of the jurisdiction of the Agency and shall (i) keep the Facility or cause the Facility to be kept in as reasonably safe condition as its operations shall permit; (ii) make all necessary repairs and replacements to the Facility; and (iii) operate the Facility in a sound and economic manner.

(b) The Company from time to time may make any structural additions, modifications or improvements to the Facility or any part thereof, provided such actions do not adversely affect the structural integrity of the Facility. The Company may not make any changes to the footprint of the Facility, and any additions expanding the square footage of the Facility (including the addition of any stories whether above or below ground) or make any additions, modifications or improvements to the Facility which will materially and/or adversely affect the structural integrity or value of the Facility without the prior written consent of the Agency which consent shall not be unreasonably withheld or delayed. All such additions, modifications or improvements made by the Company after the date hereof shall become a part of the Facility and the Property of the Agency. The Company agrees to deliver to the Agency all documents which may be necessary or appropriate to convey to the Agency title to or an interest in such Property.

Section 6.2 Installation of Additional Equipment. Subject to the provisions of Section 3.5 hereof, the Company or any permitted sublessee of the Company from time to time may install additional machinery, equipment or other personal property in the Facility (which may be attached or affixed to the Facility), and such machinery, equipment or other personal property shall not become, or be deemed to become, a part of the Facility, so long as such additional property is properly identified by such appropriate records, including computerized records, as approved by the Agency. The Company from time to time may create or permit to be created any Lien on such machinery, equipment or other personal property. Further, the Company from time to time may remove or permit the removal of such machinery, equipment and other personal property from the Facility, provided that any such removal of such machinery, equipment or other personal property shall not occur: (i) if any Event of Default has occurred or (ii) if any such removal shall adversely affect the structural integrity of the Facility or impair the overall operating efficiency of the Facility for the purposes for which it is intended, and provided further, that if any damage to the Facility is occasioned by such removal, the Company agrees promptly to repair or cause to be repaired such damage at its own expense.

(b) The Company may in good faith contest any such taxes, assessments and other charges. In the event of any such proceedings, the Company may permit the taxes, assessments or other charges so contested to remain unpaid during the period of such proceedings and any appeal therefrom, provided, however, that (i) neither the Facility nor any part thereof or interest therein would be in any immediate danger of being sold, forfeited or lost by reason of such proceedings and (ii) the Company shall have set aside on its books adequate reserves with respect thereto and shall have furnished such security, if any, as may be required in such proceedings or requested by the Agency.

(c) The Agency agrees that if it or the Company contests any taxes, assessments or other charges provided for in paragraph (b) hereof, all sums returned and received by the Agency, as a result thereof, will be promptly transmitted by the Agency to the Company and that

the Company shall be entitled to retain all such amounts; which such obligation shall survive the expiration or termination of this Lease Agreement.

(d) Within thirty (30) days of receipt of written request therefor, the Company shall deliver to the Agency, official receipts of the appropriate taxing authorities or other proof reasonably satisfactory to the Agency evidencing payment of any tax.

(f) The Agency does not in any way represent that the insurance specified in this Lease Agreement, whether in scope or coverage or limits of coverage, is adequate or sufficient to protect the Company's business or interests.

(i) the Agency shall have no obligation to replace, repair, rebuild, restore or relocate the Facility;

(ii) there shall be no abatement or reduction in the amounts payable by the Company under this Lease Agreement, including, without limitation, the PILOT Payments (whether or not the Facility is replaced, repaired, rebuilt, restored or relocated);

(iii) the Company shall promptly give written notice thereof to the Agency;

(iv) upon the occurrence of such damage or destruction, the Net Proceeds derived from the insurance shall be (A) paid to the Company or the Lender, as applicable, for the replacement, repair, rebuilding, restoration or relocation of the Facility as provided in Section 7.1(b) hereof or (B) applied pursuant to Section 7.1(e) hereof; and

(v) if the Facility is not replaced, repaired, rebuilt, restored or relocated, as provided herein and in Section 7.1(b) hereof, this Lease Agreement shall be terminated at the option of the Agency and the provisions of Section 7.1(e) hereof shall apply.

(b) Any replacements, repairs, rebuilding, restorations or relocations of the Facility by the Company after the occurrence of such damage or destruction shall be subject to the following conditions:

- (i) the Facility shall be in substantially the same condition and value as an operating entity as existed prior to the damage or destruction;
- (ii) the Facility shall continue to constitute a "project" as such term is defined in the Act;
- (iii) the Facility will be subject to no Liens, other than Permitted Encumbrances; and
- (iv) any other conditions the Agency may reasonably impose.

(c) All such repair, replacement, rebuilding, restoration or relocation of the Facility shall be effected with due diligence in a good and workmanlike manner in compliance with all applicable legal requirements, shall be promptly and fully paid for by the Company in accordance with the terms of the applicable contracts and shall automatically become a part of the Facility as if the same were specifically provided herein.

(d) In the event such Net Proceeds are not sufficient to pay in full the costs of such repair, replacement, rebuilding, restoration or relocation, the Company shall nonetheless complete the work, or cause the work to be completed pursuant to the terms of this Lease Agreement, and pay from its own moneys, or cause to be paid by such other party as may be obligated for payment that portion of the costs thereof in excess of such Net Proceeds. All such repairs, replacements, rebuilding, restoration or relocations made pursuant to this Section, whether or not requiring the expenditure of the Company's own money or moneys of any other person, shall automatically become a part of the Facility as if the same were specifically described herein.

(e) If the Company shall not repair, replace, rebuild, restore or relocate the Facility, it shall be deemed to have exercised its option to terminate this Lease Agreement pursuant to Section 11.1 hereof. Any Net Proceeds derived from insurance shall be applied to the payment of the amounts required to be paid by Section 11.2 hereof and the balance shall be delivered to the Company. If an Event of Default hereunder shall have occurred and the Agency shall have exercised its remedies under Section 10.2 hereof, such Net Proceeds shall be applied to the payment of the amounts required to be paid by Section 10.2 and Section 10.4 hereof.

Section 7.2 Condemnation.

(a) If title to or use of the Facility shall be taken by Condemnation (in whole or in part) at any time during the Lease Term:

- (i) the Agency shall have no obligation to repair, replace, rebuild, restore or relocate the Facility or to acquire, by construction or otherwise, facilities of substantially the same nature as the Facility ("**Substitute Facilities**");

- (iii) the Company shall promptly give written notice thereof to the Agency;
- (iv) upon the occurrence of such Condemnation, the Net Proceeds derived therefrom shall be (A) paid to the Company or the Lender, as applicable, for the replacement, repair, rebuilding, restoration or relocation of the Facility or acquisition of Substitute Facilities as provided in Section 7.2(b) hereof or (B) applied pursuant to Section 7.2(e) hereof; and
- (v) if the Facility is not repaired, replaced, rebuilt, restored or relocated, as provided herein and in Section 7.2(b) hereof, this Lease Agreement shall be terminated at the option of the Agency and the provisions of Section 7.2(e) hereof shall apply.

(b) Any repairs, replacements, rebuilding, restorations or relocations of the Facility by the Company after the occurrence of such Condemnation or acquisitions by the Company of Substitute Facilities shall be subject to the following conditions:

Any Net Proceeds of a Condemnation not used to repair, replace, rebuild, restore, or relocate the Facility shall belong to the Company.

(d) In the event such Net Proceeds are not sufficient to pay in full the costs of such repair, replacement, rebuilding, restoration, relocation or acquisition of Substitute Facilities, the Company shall nonetheless complete, or cause to be completed, the work or the acquisition pursuant to the terms of this Lease Agreement and pay from its own moneys, or cause to be paid by such other party as may be obligated for payment, that portion of the costs thereof in excess of such Net Proceeds. All such repairs, replacements, rebuilding, restoration, relocations and such acquisition of Substitute Facilities made pursuant to this Section, whether or not requiring the expenditure of the Company's own money or moneys of any other person, shall automatically become a part of the Facility as if the same were specifically described herein.

(e) If the Company shall not repair, replace, rebuild or restore the Facility or acquire Substitute Facilities, it shall be deemed to have exercised its option to terminate this Lease

If any Event of Default hereunder shall have occurred and the Agency shall have exercised its remedies under Section 10.2 hereof, such Net Proceeds shall be applied to the payment of the amounts required to be paid by Section 10.2 and Section 10.4 hereof and any balance remaining thereafter shall belong to the Company.

Section 7.3 Condemnation of Company-Owned Property. The Company shall be entitled to the Net Proceeds of any casualty, damage or destruction insurance proceeds or any Condemnation award or portion thereof made for damage to or taking of any Property which, at the time of such damage or taking, is not part of the Facility.

the conditions of the Environment at, on or in the vicinity of the Facility, (iv) the Project Work or the operation or use of the Facility in violation of any applicable Environmental Law for the storage, treatment, generation, transportation, processing, handling, management, production or Disposal of any Hazardous Substance or as a landfill or other waste disposal site, or for military, manufacturing or industrial purposes or for the commercial storage of petroleum or petroleum based products, except in compliance with all applicable Environmental Laws, (v) the presence of any Hazardous Substance or a Release or Disposal or the threat of a Release or Disposal of any Hazardous Substance or waste on, at or from the Facility, (vi) the failure promptly to undertake and diligently pursue to completion all necessary, appropriate and legally authorized investigative, containment, removal, clean-up and other remedial actions with respect to a Release or the threat of a Release of any Hazardous Substance on, at or from the Facility, required by any Environmental Law, (vii) human exposure to any Hazardous Substance, noises, vibrations or nuisances of whatever kind to the extent the same arise from the Project Work, the condition of the Facility or the ownership, use, sale, operation, conveyance or operation thereof in violation of any Environmental Law, (viii) a violation of any applicable Environmental Law, (ix) non-compliance with any Environmental Permit, (x) a material misrepresentation or inaccuracy in any representation or warranty or a material breach of or failure to perform any covenant made by the Company in this Lease Agreement, or (xi) the costs of any required or necessary investigation, assessment, testing, repair, cleanup, or detoxification of the Facility and the preparation of any closure or other required plans; provided that any such losses, damages, liabilities or expenses of the Agency are not incurred on account of and do not result from the gross negligence or intentional or willful wrongdoing of the Indemnified Parties. The foregoing indemnities shall apply notwithstanding the fault or negligence in part of any of the Indemnified Parties, and irrespective of the breach of a statutory obligation or the application of any rule of comparative or apportioned liability. The foregoing indemnities are limited only to the extent of any prohibitions imposed by law, and upon the application of any such prohibition by the final judgment or decision of a competent court of law, the remaining provisions of these indemnities shall remain in full force and effect.

(b) Notwithstanding any other provisions of this Lease Agreement, the obligations of the Company pursuant to this Section 8.2 shall remain in full force and effect after the termination of this Lease Agreement until the expiration of the period stated in the applicable statute of limitations during which a claim, cause of action or prosecution relating to the matters herein described may be brought, the payment in full or the satisfaction of such claim, cause of action or prosecution relating to the matters herein described and the payment of all expenses and charges incurred by the Indemnified Parties, relating to the enforcement of the provisions herein specified. (c) In the event of any claim against the Indemnified Parties by any employee or contractor of the Company or anyone directly or indirectly employed by any of them or anyone for whose acts any of them may be liable, the obligations of the Company hereunder shall not be limited in any way by any limitation on the amount or type of damages, compensation, disability benefits or other employee benefit acts.

Section 8.3 Company to Maintain Its Existence. The Company covenants and agrees that at all times during the Lease Term, it will (i) maintain its existence, (ii) continue to be an entity subject to service of process in the State and either organized under the laws of the State, or organized under the laws of any other state of the United States and duly qualified to do business as a foreign entity in the State, (iii) not liquidate, wind-up or dissolve or otherwise dispose of all or substantially all of its property, business or assets remaining after the execution and delivery of this Lease Agreement, (iv) not consolidate with or merge into another corporation or permit one or more corporations to consolidate with or merge into it, and (v) not change more than 49% of the ownership and control of the Company or sell or transfer more than 49% of the equity interests in the Company, except in the case of clauses (iv) and (v), with consent of the Agency, which consent shall not be unreasonably withheld or delayed or conditioned.

Section 8.4 Qualification in State. The Company throughout the Lease Term shall continue to be duly authorized to do business in the State.

Section 8.5 Agreement to File Annual Statements and Provide Information. The Company shall provide the Agency with the information necessary for the Agency to comply with Section 874(9) of the GML. Annually, the Company shall provide the Agency with a certified statement and documentation (i) enumerating the FTE jobs, by category, retained and/or created at the Facility as a result of the Agency's financial assistance and (ii) indicating the fringe benefits and salary averages or ranges for such categories of FTE jobs created and/or retained. The Company further agrees to provide and certify or cause to be provided and certified such information concerning the Company, its finances, its operations, its employment and its affairs necessary to enable the Agency to make any report required by law, governmental regulation, including, without limitation, any reports required by the Act or the Public Authorities Accountability Act of 2005 and the Public Authorities Reform Act of 2009, each as amended from time to time, or any other reports required by the New York State Authority

Budget Office or the Office of the State Comptroller or any of the Agency Documents or Company Documents. Such information shall be provided within thirty (30) days following written request from the Agency. The Company shall cause any and all sublessees at the Facility to comply with the requirements of this Section 8.5 by requiring each such sublessee to enter into a Tenant Agency Compliance Agreement.

Section 8.6 Books of Record and Account; Financial Statements. The Company at all times agrees to maintain proper accounts, records and books in which full and correct entries shall be made, in accordance with generally accepted accounting principles, of all transactions and events relating to the business and financial affairs of the Company.

Section 8.7 Compliance with Orders, Ordinances, Etc.

(a) The Company, throughout the Lease Term, agrees that it will promptly comply, and cause any sublessee, tenant or occupant of the Facility to comply, with all statutes, codes, laws, acts, ordinances, orders, judgments, decrees, injunctions, rules, regulations, permits, licenses, authorizations, directions and requirements, ordinary or extraordinary, which now or at any time hereafter may be applicable to the Facility or any part thereof, or to the Project Work or to any use, manner of use or condition of the Facility or any part thereof, of all federal, state, county, municipal and other governments, departments, commissions, boards, courts, authorities, officials and officers having jurisdiction over the Facility or any part thereof, or of the Project Work, or of any use, manner of use or condition of the Facility or any part thereof or of any companies or associations insuring the premises.

(b) Notwithstanding the provisions of subsection (a) above, the Company may in good faith contest the validity or the applicability of any requirement of the nature referred to in such subsection (a) by appropriate legal proceedings conducted in good faith and with due diligence. In such event, the Company may fail to comply with the requirement or requirements so contested during the period of such contest and any appeal therefrom, unless the Agency shall notify the Company that by failure to comply with such requirement or requirements, the Facility or any part thereof may be subject to loss, penalty or forfeiture, in which event the Company shall promptly take such action with respect thereto or provide such security as shall be satisfactory to the Agency. If at any time the then existing use or occupancy of the Facility shall, pursuant to any zoning or other law, ordinance or regulation, be permitted only so long as such use or occupancy shall continue, the Company shall use its best efforts not to cause or permit such use or occupancy to be discontinued without the prior written consent of the Agency.

Section 8.8 Discharge of Liens and Encumbrances.

(a) The Company, throughout the Lease Term, shall not permit or create or suffer to be permitted or created any Lien, except for Permitted Encumbrances, upon the Facility or any part thereof by reason of any labor, services or materials rendered or supplied or claimed to be rendered or supplied with respect to the Facility or any part thereof.

(b) Notwithstanding the provisions of subsection (a) above, the Company may in good faith contest any such Lien. In such event, the Company may permit the items so contested to remain undischarged and unsatisfied during the period of such contest and any appeal

therefrom, unless the Agency shall notify the Company in writing that by nonpayment of any such item or items, the Facility or any part thereof may be subject to loss or forfeiture. In the event of such notice the Company shall promptly secure payment of all such unpaid items by filing a bond, in form and substance satisfactory to the Agency, thereby causing such Lien to be removed, or by taking such other actions as may be satisfactory to the Agency to protect its interests. Mechanics' Liens shall be discharged or bonded within thirty (30) days of the filing or perfection thereof.

Section 8.9 Depreciation Deductions and Investment Tax Credit. The parties agree that, as between them, the Company shall be entitled to all depreciation deductions with respect to any depreciable property comprising a part of the Facility and to any investment credit with respect to any part of the Facility.

Section 8.10 Employment Opportunities; Notice of Jobs. The Company covenants and agrees that, in consideration of the participation of the Agency in the transactions contemplated herein, it will, except as otherwise provided by collective bargaining contracts or agreements to which the Company is a party, cause any new employment opportunities created in connection with the Facility to be listed with the New York State Department of Labor, Community Services Division and with the administrative entity of the service delivery area created pursuant to the Job Training Partnership Act (PL 97-300), as superseded by the Workforce Innovation and Opportunity Act (PL. 113-128), in which the Facility is located (collectively, the "**Referral Agencies**"). The Company agrees to comply with the Agency's "Local Workforce Utilization Policy" a copy of which is attached hereto as Exhibit L and made a part hereof. The Company also agrees, and shall cause any and all sublessees to agree, that they will, where practicable, first consider for such new employment opportunities persons eligible to participate in federal job training partnership programs who shall be referred by the Referral Agencies.

Section 8.11 Employment at the Facility. The Company hereby represents to the Agency that it does not intend to create and maintain employees at the Facility.

Section 8.12 Annual Compliance Certificate. The Company shall deliver to the Agency each year no later than January 15th, a certificate signed by an Authorized Representative of the Company in the form attached hereto as Exhibit K, together with all attachments referenced therein.

ARTICLE IX RELEASE OF CERTAIN LAND; ASSIGNMENTS AND SUBLEASING

Section 9.1 Restriction on Sale of Facility; Release of Certain Land.

(a) Except as otherwise specifically provided in this Article IX and in Article X hereof, the Agency shall not sell, convey, transfer, encumber or otherwise dispose of the Facility or any part thereof, or any of its rights under this Lease Agreement, without the prior written consent of the Company.

(b) The Agency and the Company from time to time may release from the provisions of this Lease Agreement and the leasehold estate created hereby any part of, or interest in, the Land which is not necessary, desirable or useful for the Facility. In such event, the Agency, at

the Company's sole cost and expense, shall execute and deliver any and all instruments necessary or appropriate so to release such part of, or interest in, the Land. As a condition to such release, the Agency shall be provided with a copy of the instrument transferring such title or interest in such Land, an instrument survey of the Land to be conveyed, together with a certificate of an Authorized Representative of the Company stating that there is then no Event of Default under this Lease Agreement and that such part of, or interest in, the Land is not necessary, desirable or useful for the Facility.

(c) No conveyance of any part of, or interest in, the Land effected under the provisions of this Section 9.1 shall entitle the Company to any abatement or diminution of the rents payable by it under this Lease Agreement or any abatement or diminution of the PILOT Payments.

Section 9.2 Removal of Equipment.

(a) The Agency shall not be under any obligation to remove, repair or replace any inadequate, obsolete, worn out, unsuitable, undesirable or unnecessary item of Equipment. In any instance where the Company determines that any item of Equipment has become inadequate, obsolete, worn out, unsuitable, undesirable or unnecessary, the Company may remove such items from the Facility and may sell, trade-in, exchange or otherwise dispose of the same, as a whole or in part, provided that such removal will not materially impair the operation of the Facility for the purpose for which it is intended or change the nature of the Facility so that it does not constitute a "project" under the Act.

(b) Upon the request of the Company, the Agency shall execute and deliver to the Company all instruments necessary or appropriate to enable the Company to sell or otherwise dispose of any such item of Equipment. The Company shall pay any costs (including attorneys' fees) incurred in transferring title to any item of Equipment removed pursuant to this Section 9.2.

(c) The removal of any item of Equipment pursuant to this Section shall not entitle the Company to any abatement or diminution of the PILOT Payments or any other amounts payable by it under this Lease Agreement.

Section 9.3 Assignment and Subleasing.

(a) This Lease Agreement may not be assigned, in whole or in part, and the Facility may not be subleased, in whole or in part, without the prior written consent of the Agency, in each instance, which consent shall not be unreasonably withheld or delayed, but shall be subject to the dates of the Agency's board meetings, and which consent may be fully and effectively given by the execution and delivery of a Tenant Agency Compliance Agreement by an Authorized Representative of the Agency in substantially the form attached hereto as Exhibit I. Any assignment or sublease shall be on the following conditions, as of the time of such assignment or sublease:

(i) no assignment or sublease shall relieve the Company from primary liability for any of its obligations hereunder unless the Agency consents thereto, which consent shall not be unreasonably withheld or delayed subject to the dates

of the Agency's board meetings and which consent shall be conditioned upon the Agency being indemnified and held harmless to its reasonable satisfaction;

(ii) the assignee or sublessee (except in the case of a true sublessee in the ordinary course of business) shall assume the obligations of the Company hereunder to the extent of the interest assigned or subleased;

(iii) the Company shall, within ten (10) days after the delivery thereof, furnish or cause to be furnished to the Agency a true and complete copy of such assignment or sublease and the instrument of assumption;

(iv) neither the validity nor the enforceability of the Lease Agreement shall be adversely affected thereby;

(v) the Facility shall continue to constitute a "project" as such quoted term is defined in the Act, and, without limiting the generality of the foregoing, no assignment or sublease shall cause the Facility to be used in violation of Section 862(2)(a) of the Act and no assignment or sublease shall cause the Facility to be occupied by a sublessee in violation of Section 862(1) of the Act; and

(vi) any sublessee will execute and deliver a Tenant Agency Compliance Agreement, satisfactory to the Agency in substantially the form attached hereto as Exhibit I;

(b) If the Agency shall so request, as of the purported effective date of any assignment or sublease pursuant to subsection (a) of this Section 9.3, the Company at its sole cost and expense shall furnish the Agency with opinions, in form and substance satisfactory to the Agency, (i) of Transaction Counsel as to item (v) above, and (ii) of Independent Counsel as to items (i), (ii), and (iv) above.

(c) In accordance with Section 862(1) of the Act, the Facility shall not be occupied by a sublessee whose tenancy would result in the removal of a facility or plant of the proposed sublessee from one area of the State to another area of the State or in the abandonment of one or more plants or facilities of such sublessee located within the State; provided, however, that neither restriction shall apply if the Agency shall determine:

(i) that such occupation of the Facility is reasonably necessary to discourage the proposed sublessee from removing such other plant or facility to a location outside the State, or

(ii) that such occupation of the Facility is reasonably necessary to preserve the competitive position of the proposed sublessee in its respective industry.

Section 9.4 Merger of Agency.

(a) Nothing contained in this Lease Agreement shall prevent the consolidation of the Agency with, or merger of the Agency into, or the transfer of the Agency's interest in the entire Facility to, any other public benefit corporation or political subdivision which has the legal

authority to own and lease the Facility and to continue the tax benefits contemplated by the Transaction Documents, provided that upon any such consolidation, merger or transfer, the due and punctual performance and observance of all the agreements and conditions of this Lease Agreement to be kept and performed by the Agency shall be expressly assumed in writing by the public benefit corporation or political subdivision resulting from such consolidation or surviving such merger or to which the Facility shall be transferred.

(b) Within thirty (30) days after the consummation of any such consolidation, merger or transfer of title, the Agency shall give notice thereof in reasonable detail to the Company and shall, upon request, furnish to the Company, at the sole cost and expense of the Company, a favorable opinion of Independent Counsel as to compliance with the provisions of Section 9.4(a) hereof. The Agency promptly shall furnish such additional information with respect to any such transaction as the Company may reasonably request.

ARTICLE X EVENTS OF DEFAULT AND REMEDIES

Section 10.1 Events of Default Defined.

- (a) The following shall each be "Events of Default" under this Lease Agreement:

 - (ii) the failure by the Company to observe and perform any covenant contained in Sections 2.2(e), (f) or (i), 3.6, 5.2, 6.3, 6.4, 6.5, 8.2, 8.4, 8.5, 8.11, 8.12, 9.3, 10.4 and Article XIII hereof;

 - (vii) the dissolution or liquidation of the Company; or the failure by the Company to release, stay, discharge, lift or bond within thirty (30) days any execution, garnishment, judgment or attachment of such consequence as may impair its ability to carry on its operations; or the failure by the Company generally to pay its debts as they become due; or an assignment by the Company

for the benefit of creditors; or the commencement by the Company (as the debtor) of a case in bankruptcy or any proceeding under any other insolvency law; or the commencement of a case in bankruptcy or any proceeding under any other insolvency law against the Company (as the debtor), wherein a court having jurisdiction in the premises enters a decree or order for relief against the Company as the debtor, or such case or proceeding is consented to by the Company or remains undismissed for forty (40) days, or the Company consents to or admits the material allegations against it in any such case or proceeding; or a trustee, receiver or agent (however named) is appointed or authorized to take charge of substantially all of the property of the Company for the purpose of enforcing a lien against such Property or for the purpose of general administration of such Property for the benefit of creditors;

(viii) an Event of Default under a mortgage, if any, shall have occurred and be continuing; or

(ix) a default by any tenant under its respective Tenant Agency Compliance Agreement shall have occurred and be continuing.

(b) Notwithstanding the provisions of Section 10.1(a), if by reason of force majeure any party hereto shall be unable in whole or in part to carry out its obligations under Sections 3.4, 6.1 and 8.11 of this Lease Agreement, and if such party shall give notice and full particulars of such force majeure in writing to the other party, within a reasonable time after the occurrence of the event or cause relied upon, such obligations under this Lease Agreement of the party giving such notice (and only such obligations), so far as they are affected by such force majeure, shall be suspended during continuation of the inability, which shall include a reasonable time for the removal of the effect thereof. The term "force majeure" as used herein shall include, without limitation, acts of God, strikes, lockouts or other industrial disturbances, acts of public enemies, acts, priorities or orders of any kind of the government of the United States of America or of the State or any of their departments, agencies, governmental subdivisions or officials or any civil or military authority, insurrections, riots, epidemics, landslides, lightning, earthquakes, fire, hurricanes, storms, floods, washouts, droughts, arrests, restraint of government and people, civil disturbances, explosions, breakage or accident to machinery, transmission pipes or canals, shortages of labor or materials or delays of carriers, partial or entire failure of utilities, shortage of energy or any other cause or event not reasonably within the control of the party claiming such inability and not due to its fault. The party claiming such inability shall remove the cause for the same with all reasonable promptness. It is agreed that the settlement of strikes, lockouts and other industrial disturbances shall be entirely within the discretion of the party having difficulty, and the party having difficulty shall not be required to settle any strike, lockout and other industrial disturbances by acceding to the demands of the opposing party or parties.

Section 10.2 Remedies on Default.

(a) Whenever any Event of Default shall have occurred and be continuing, the Agency may take, to the extent permitted by law, any one or more of the following remedial steps:

(i) declare, by written notice to the Company, to be immediately due and payable, whereupon the same shall become immediately due and payable: (A) all unpaid installments of rent payable pursuant to Section 4.3(a) and (b) hereof, (B) all unpaid and past due PILOT Payments, (C) all due and owing Recaptured Benefits, and (D) all other payments due under this Lease Agreement; provided, however, that if an Event of Default specified in Section 10.1(a)(vii) hereof shall have occurred and be continuing, such installments of rent and other payments due under this Lease Agreement shall become immediately due and payable without notice to the Company or the taking of any other action by the Agency;

(ii) terminate this Lease Agreement and the Company Lease. The Agency shall have the right to execute appropriate lease termination documents with respect to the Facility and to place the same on record in the Dutchess County Clerk's office, at the sole cost and expense of the Company and in such event the Company waives delivery and acceptance of such lease termination documents and the Company hereby appoints the Agency its true and lawful agent and attorney-in-fact (which appointment shall be deemed to be an agency coupled with an interest), with full power of substitution to file on its behalf all affidavits, questionnaires and other documentation necessary to accomplish the recording of such lease termination documents; or

(iii) take any other action at law or in equity which may appear necessary or desirable to collect the payments then due or thereafter to become due hereunder, and to enforce the obligations, agreements and covenants of the Company under this Lease Agreement.

(b) No action taken pursuant to this Section 10.2 (including termination of the Lease Agreement) shall relieve the Company from its obligation to make all payments required by Section 4.3 hereof or due and owing PILOT Payments or Recaptured Benefits.

Section 10.3 Remedies Cumulative. No remedy herein conferred upon or reserved to the Agency is intended to be exclusive of any other available remedy, but each and every such remedy shall be cumulative and in addition to every other remedy given under this Lease Agreement or now or hereafter existing at law or in equity. No delay or omission to exercise any right or power accruing upon any default shall impair any such right and power or shall be construed to be a waiver thereof, but any such right or power may be exercised from time to time and as often as may be deemed expedient. In order to entitle the Agency to exercise any remedy reserved to it in this Article X, it shall not be necessary to give any notice, other than such notice as may be herein expressly required in this Lease Agreement.

Section 10.4 Agreement to Pay Attorneys' Fees and Expenses. In the event the Company should default under any of the provisions of this Lease Agreement and the Agency should employ attorneys or incur other expenses for the collection of amounts payable hereunder or the enforcement of performance or observance of any obligations or agreements on the part of the Company herein contained, the Company shall, on demand therefor, pay to the Agency the reasonable fees of such attorneys and such other expenses so incurred.

Section 10.5 No Additional Waiver Implied by One Waiver. In the event any agreement contained herein should be breached by any party and thereafter waived by any other party, such waiver shall be limited to the particular breach so waived and shall not be deemed to waive any other breach hereunder.

Section 13.2 Environmental Covenants of the Company. The Company hereby covenants and agrees with the Agency as follows:

(a) The Company shall perform the Project Work and use, operate and manage the Facility in accordance with all applicable Environmental Laws and Environmental Permits, and shall cause all operators, tenants, subtenants, licensees and occupants of the Facility to perform the Project Work and to use, operate and manage the Facility in accordance with any applicable Environmental Laws and Environmental Permits, and shall not cause, allow or permit the Facility or any part thereof to be operated or used for the storage, treatment, generation, transportation, processing, handling, production, management or Disposal of any Hazardous Substances other than in accordance with all applicable Environmental Laws and Environmental Permits.

(b) The Company shall obtain and comply with, and shall cause all contractors, subcontractors, operators, tenants, subtenants, licensees and occupants of the Facility to obtain and comply with, all Environmental Permits, if any.

(c) The Company shall not cause or permit any change to be made in the present or intended Project Work or use or operation of the Facility which would (i) involve the storage, treatment, generation, transportation, processing, handling, management, production or disposal of any Hazardous Substance other than in accordance with any applicable Environmental Law, or the Project Work, or use or operation of the Facility as a landfill or waste management or disposal site or for manufacturing or industrial purposes or for the storage of petroleum or petroleum based products other than in accordance with any applicable Environmental Law, (ii) violate any applicable Environmental Law, (iii) constitute a violation or non-compliance with any Environmental Permit or (iv) increase the risk of a Release of any Hazardous Substance.

(d) The Company shall promptly provide the Agency with a copy of all notifications which the Company gives or receives with respect to conditions of the Environment at or in the vicinity of the Facility, any past or present Release or the threat of a Release of any Hazardous Substance on, at or from the Facility or any property adjacent to or within the immediate vicinity of the Facility. If the Company receives or becomes aware of any such notification which is not in writing or otherwise capable of being copied, the Company shall promptly advise the Agency of such verbal, telephonic or electronic notification and confirm such notice in writing. Furthermore, upon the Company's discovery thereof, the Company shall promptly advise the Agency in writing of: (i) the presence of any Hazardous Substance on, under or about the Facility of which the Agency has not previously been advised in writing; (ii) any remedial action taken by, or on behalf of, the Company in response to any Hazardous Substance on, under or about the Facility or to any environmental proceedings of which the Company has not previously been advised in writing; and (iii) the occurrence or condition on any real property adjoining or in the vicinity of the Facility that could reasonably be expected to cause the Facility or any part thereof to be subject to any restrictions on the ownership, occupancy, transferability or use of the Facility under any Environmental Law. The Company shall also provide the Agency with copies of all reports, analyses, notices, licenses, approvals, orders, correspondences or other written materials in its possession or control relating to the condition of the Environment at the Facility or real property or bodies of water adjoining or in the vicinity of the Facility or environmental proceedings promptly upon receipt, completion or delivery of such materials.

(e) The Company shall undertake and complete all investigations, studies, sampling and testing and all removal or remedial actions necessary to contain, remove and clean up all Hazardous Substances that are or may become present at the Facility and are required to be removed and/or remediated in accordance with all applicable Environmental Laws and all Environmental Permits. All remedial work shall be conducted (i) in a diligent and timely fashion by licensed contractors acting under the supervision of a consulting environmental engineer, (ii) pursuant to a detailed written plan for the remedial work approved by any public or private agencies or persons with a legal or contractual right to such approval, (iii) with such insurance coverage pertaining to liabilities arising out of the remedial work as is then customarily maintained with respect to such activities, and (iv) only following receipt of any required permits, licenses or approvals. In addition, the Company shall submit, or cause to be submitted, to the Agency, promptly upon receipt or preparation, copies of any and all reports, studies, analyses, correspondence, governmental comments or approvals, proposed removal or other remedial work contracts and similar information prepared or received by or on behalf of the Company in connection with any remedial work, or Hazardous Substances relating to the Facility. All costs and expenses of such remedial work shall be paid by or on behalf of the Company, including, without limitation, the charges of the remedial work contractors and the consulting environmental engineer, any taxes or penalties assessed in connection with the remedial work and the Agency's out-of-pocket costs incurred in connection with monitoring or review of such remedial work. The Agency shall have the right but not the obligation to join and participate in, as a party if it so elects, any legal proceedings or actions initiated in connection with any environmental proceedings.

(f) If at any time the Agency obtains any notice or information that the Company or the Facility, or the use or operation thereof or the Project Work may be in violation of an Environmental Law or in non-compliance with any Environmental Permit or standard, the

Agency may require that a full or supplemental environmental inspection and audit report with respect to the Facility of a scope and level of detail reasonably satisfactory to the Agency be prepared by a professional environmental engineer or other qualified environmental scientist acceptable to the Agency, at the Company's sole cost and expense. Said audit may, but is not required to or limited to, include a physical inspection of the Facility, a records search, a visual inspection of any property adjacent to or within the immediate vicinity of the Facility, personnel interviews, review of all Environmental Permits and the conducting of scientific testing. If necessary to determine whether a violation of an Environmental Law exists, such inspection shall also include subsurface testing for the presence of Hazardous Substances in the soil, subsoil, bedrock, surface water and/or groundwater. If said audit report indicates the presence of any Hazardous Substance or a Release or Disposal or the threat of a Release or Disposal of any Hazardous Substance on, at or from the Facility in violation of any applicable law, the Company shall promptly undertake and diligently pursue to completion all necessary, appropriate investigative, containment, removal, clean-up and other remedial actions required by any Environmental Law, in accordance with Section 13.2(e) above. The Company hereby consents to the Agency notifying any party under such circumstances of the availability of any or all of the environmental reports and the information contained therein. The Company further agrees that the Agency may disclose such environmental reports to any governmental agency or authority if they reasonably believe that they are required to disclose any matter contained therein to such agency or authority; provided that the Agency shall give the Company at least forty-eight (48) hours prior written notice before so doing. The Company acknowledges that the Agency cannot control or otherwise assure the truthfulness or accuracy of the environmental reports, and that the release of the environmental reports, or any information contained therein, to prospective bidders at any foreclosure sale of the Facility may have a material and adverse effect upon the amount which a party may bid at such sale. The Company agrees that the Agency shall not have any liability whatsoever as a result of delivering any or all of the environmental reports or any information contained therein to any third party if done in good faith, and the Company hereby releases and forever discharges the Agency from any and all claims, damages, or causes of action arising out of, connected with or incidental to the delivery of environmental reports.

DUTCHESS COUNTY INDUSTRIAL DEVELOPMENT AGENCY

Policy on Maintaining Performance Based Incentives (MPBI)

I. Return of 100 per cent of Incentives during construction stage 1 to 2 years or until a Certificate of Occupancy is used:

- Default as defined by legislation and project documents
- Project ceases to be a project during construction and prior to occupancy
- Project ceases to be a project during Year 1, 2 and 3 of operations
- Defaults defined in Legislation and Project Agreement

II. Establish Performance Based Incentives Review Committee consisting of the entire Board of Directors:

- Committee to review non-compliant projects
- Make recommendations for the return of benefits

II. Performance Failure

The Agency's goal is to minimize performance failures by providing technical assistance to potential projects prior to the submission of an application for benefits and in helping projects understand the Performance Based Incentive Policy as follows:

- When a project does not achieve expected FTEs at the Project Facility by the dates set in the Project Agreement and falls below a Proportional Amount of 90%.
- The term "Proportional Amount" shall mean the ratio obtained by dividing (x) the number resulting from subtracting the number of FTEs employed at the Project Facility on the relevant date or during the relevant period, from the Base Employment Number (as enumerated in the Project Agreement), by (y) BASE Employment Number.
- Payment in Lieu of Taxes (PILOT) Agreement for each project will establish the terms for increased payments for the year following a performance failure.
- Each year, CEO will meet with projects having a higher Proportional Amount percent of FTEs in a previous year to assess business aspects that may lead to a performance failure in the current or subsequent years. This will mitigate a potential future failure by either terminating the project or amending the project agreement and PILOT with cause, and decreasing incentives.

III. Identifying and Reporting Projects with Performance Based Incentive Deficiencies

- • Compliance Officer will prepare and submit a report to the MPBI Review Committee annually, detailing projects that utilized excess sales tax abatements, are not current with PILOT Payments, or have not achieved their expected employment jobs as detailed in the Agency's and Project agreements.
- Agency CEO will meet with each project to review deficiencies in performance based measurements; prepare a report for the MPBI Review Committee
- Committee will assess causes of deficiencies and make recommendations to the Board, at its discretion, for action to: cure deficiencies, declare a project default, terminate the project agreement, reduce the value of incentives, terminate future benefits, and require the return of financial assistance made to date.
- Board will meet with the project to jointly discuss deficiencies and resolution option(s). The following will be used to determine if an explanation exists for failure to achieve the economic benefits projected by the company:
 - a. Natural Disaster: if a natural disaster such as a fire, flood, or tornado disrupts the business.
 - b. Industry Trends: An evaluation of industry trends will be made relevant to the company, and a determination reached as to whether the company is in a market that is declining. International and national data will be used in the evaluation. An industry is considered in decline when, measured by the appropriate SIC code, it experiences employment or revenue declines—beyond its control--of 10% or more over 3 years.
 - c. Loss of Major Supplier or Customer: if the loss of a customer or supplier represents 15% or more of the sales of the company.
 - d. Productivity Improvements: if new technology, equipment or general productivity improvements result in the need for less than projected employees or investment
 - e. Unfair Competition: if an international competitor utilizes an unfair competitive advantage to acquire market share.
 - f. Other economic reversals.
- Company is officially notified by mail of the Board's decision and has 30 days to comply with the Board conditions.
- The IDA granting the economic incentive retains all rights to impose, delay or waive penalties. Further, the Agency, at its sole discretion, may waive all or any portion of any payment owing by the Company.

IV. Recovery of Incentives

The terms of Project Agreement will, depending upon the terms of a project include the following formula:

- (A) one hundred per cent (100%) of the Benefits if the Recapture Event occurs prior to the Completion of Project Construction, or within the first (1st) or second (2nd) year after the Completion of Project Construction; or
- (B) ninety per cent (90%) of the Benefits if the Recapture Event occurs during the third (3rd) year after the Completion of Project Construction; or;
- (C) eighty per cent (80%) of the Benefits if the Recapture Event occurs during the fourth (4th) year after the Completion of Project Construction; or;
- (D) seventy per cent (70%) of the Benefits if the Recapture Event occurs during the fifth (5th) year after the Completion of Project Construction; or;
- (E) sixty per cent (60%) of the Benefits if the Recapture Event occurs during the sixth (6th) year after the Completion of Project Construction; or;
- (F) fifty per cent (50%) of the Benefits if the Recapture Event occurs during the seventh (7th) year after the Completion of Project Construction; or;
- (G) forty per cent (40%) of the Benefits if the Recapture Event occurs during the eighth (8th) year after the Completion of Project Construction; or;
- (H) thirty per cent (30%) of the Benefits if the Recapture Event occurs during the ninth (9th) year after the Completion of Project Construction; or;
- (I) twenty per cent (20%) of the Benefits if the Recapture Event occurs during the tenth (10th) year after the Completion of Project Construction; or;
- (J) ten per cent (10%) of the Benefits if the Recapture Event occurs during the eleventh (11th) year after the Completion of Project Construction;

ARTICLE III SPECIAL COVENANTS

Section 3.1 No Warranty of Condition or Suitability by Agency. THE AGENCY HAS MADE AND MAKES NO REPRESENTATION OR WARRANTY WHATSOEVER, EITHER EXPRESS OR IMPLIED, WITH RESPECT TO THE MERCHANTABILITY, CONDITION, FITNESS, DESIGN, OPERATION OR WORKMANSHIP OF ANY PART OF THE FACILITY, ITS FITNESS FOR ANY PARTICULAR PURPOSE, THE QUALITY OR CAPACITY OF THE MATERIALS IN THE FACILITY, OR THE SUITABILITY OF THE DEMISED PREMISES FOR THE PURPOSES OR NEEDS OF THE TENANT OR THE EXTENT TO WHICH FUNDS AVAILABLE TO THE TENANT WILL BE SUFFICIENT TO PAY THE COST OF COMPLETION OF THE DEMISED PREMISES. THE TENANT ACKNOWLEDGES THAT THE AGENCY IS NOT THE MANUFACTURER OF THE EQUIPMENT NOR THE MANUFACTURER'S AGENT NOR A DEALER THEREIN. THE TENANT, ON BEHALF OF ITSELF IS SATISFIED THAT THE DEMISED PREMISES IS SUITABLE AND FIT FOR PURPOSES OF THE TENANT. THE AGENCY SHALL NOT BE LIABLE IN ANY MANNER WHATSOEVER TO THE TENANT OR ANY OTHER PERSON FOR ANY LOSS, DAMAGE OR EXPENSE OF ANY KIND OR NATURE CAUSED, DIRECTLY OR INDIRECTLY, BY THE PROPERTY OF THE FACILITY OR THE USE OR MAINTENANCE THEREOF OR THE FAILURE OF OPERATION THEREOF, OR THE REPAIR, SERVICE OR ADJUSTMENT THEREOF, OR BY ANY DELAY OR FAILURE TO PROVIDE ANY SUCH MAINTENANCE, REPAIRS, SERVICE OR ADJUSTMENT, OR BY ANY INTERRUPTION OF SERVICE OR LOSS OF USE THEREOF OR FOR ANY LOSS OF BUSINESS HOWSOEVER CAUSED.

Section 3.2 Hold Harmless Provisions.

(a) The Tenant agrees that the Agency and its directors, members, officers, agents (except the Company) and employees shall not be liable for, and agrees to defend, indemnify, release and hold the Agency and its directors, members, officers, agents and employees harmless from and against, any and all (i) liability for loss or damage to Property or injury to

or death of any and all Persons that may be occasioned by, directly or indirectly, any cause whatsoever pertaining to the Demised Premises or to common areas or other portions of the Facility to which the Tenant has regular access (such areas, together with the Demised Premises, are hereinafter referred to as the "**Tenant Premises**"), or arising by reason of or in connection with the occupation or the use thereof or the presence of any Person or Property on, in or about the Tenant Premises, and (ii) liability arising from or expense incurred in connection with the Agency's participation in the subleasing of the Demised Premises to the Tenant, including, without limiting the generality of the foregoing, all claims arising from the breach by the Tenant of any of its covenants contained herein, the exercise by the Tenant of any authority conferred upon it pursuant to this Tenant Agency Compliance Agreement and all causes of action and reasonable attorneys' fees (whether by reason of third party claims or by reason of the enforcement of any provision of this Tenant Agency Compliance Agreement (including without limitation this Section) or any other documents delivered by the Agency in connection with this Tenant Agency Compliance Agreement), and any other expenses incurred in defending any claims, suits or actions which may arise as a result of any of the foregoing, to the extent that any such losses, damages, liabilities or expenses of the Agency are not incurred and do not result from the gross negligence or intentional or willful wrongdoing of the Agency or any of its directors, members, agents or employees. Except as otherwise provided herein, the foregoing indemnities shall apply notwithstanding the fault or negligence in part of the Agency, or any of its members, directors, officers, agents or employees, and irrespective of the breach of a statutory obligation or the application of any rule of comparative or apportioned liability. The foregoing indemnities are limited only to the extent of any prohibitions imposed by law, and upon the application of any such prohibition by the final judgment or decision of a competent court of law, the remaining provisions of these indemnities shall remain in full force and effect.

(b) Notwithstanding any other provisions of this Tenant Agency Compliance Agreement, the obligations of the Tenant pursuant to this Section shall remain in full force and effect after the termination of this Tenant Agency Compliance Agreement until the expiration of the period stated in the applicable statute of limitations during which a claim, cause of action or prosecution relating to the matters herein described may be brought, and payment in full or the satisfaction of such claim, cause of action or prosecution relating to the matters herein described and the payment of all expenses and charges incurred by the Agency or its members, directors, officers, agents and employees relating to the enforcement of the provisions herein specified.

(c) In the event of any claim against the Agency or its members, directors, officers, agents or employees by any employee or contractor of the Tenant or anyone directly or indirectly employed by any of them or anyone for whose acts any of them may be liable, the obligations of the Tenant hereunder shall not be limited in any way by any limitation on the amount or type of damages, compensation, disability benefits or other employee benefit acts.

Section 3.3 Right to Inspect Demised Premises. The Agency and its duly authorized agents shall have the right at all reasonable times and upon reasonable prior written notice to inspect the Demised Premises.

Section 3.4 Qualification as Project.

(a) The Tenant will not take any action, or fail to take any action, which action or failure to act would cause the Facility not to constitute a "project" as such quoted term is defined in the Act. Without limiting the generality of the foregoing, the Tenant will in no event use the Demised Premises in such a way as to cause or permit the Facility to be used in violation of Section 862(2)(a) of the Act.

(b) The occupation of the Demised Premises has not and will not result in the removal of a facility or plant of the Tenant from one area of the State to another area of the State or in the abandonment of one or more plants or facilities of the Tenant located within the State.

Section 3.5 Compliance with Orders, Ordinances, Etc.

(a) The Tenant, throughout the Lease Term, agrees that it will promptly comply, and cause any sublessee of the Tenant or occupant of the Demised Premises which is occupying the Demised Premises by permission of the Tenant to comply, with all statutes, codes, laws, acts, ordinances, orders, judgments, decrees, injunctions, rules, regulations, permits, licenses, authorizations, directions and requirements, ordinary or extraordinary, which now or at any time hereafter may be applicable to the Facility or the Demised Premises, or to the acquisition, construction and equipping of the Demised Premises, or to any use, manner of use or condition of the Facility or any part of the Demised Premises, of all federal, state, county, municipal and other governments, departments, commissions, boards, courts, authorities, officials and officers having jurisdiction of the Facility or any part thereof, and companies or associations insuring the premises.

(b) The Tenant shall keep or cause the Demised Premises to be kept free of Hazardous Substances. Without limiting the foregoing, the Tenant shall not cause or permit the Demised Premises to be used to generate, manufacture, refine, transport, treat, store, handle, dispose, transfer, produce or process Hazardous Substances, except in compliance with all applicable federal, state and local laws or regulations, nor shall the Tenant cause or permit, as a result of any intentional or unintentional act or omission on the part of the Tenant or any of its contractors, subcontractors or tenants, a release of Hazardous Substances onto the Facility or onto any other property. The Tenant shall comply with, and ensure compliance by all of its contractors, subcontractors and subtenants with, all applicable federal, state and local environmental laws, ordinances, rules and regulations, whenever and by whomever triggered, and shall obtain and comply with, and ensure that all of its contractors, subcontractors and subtenants obtain and comply with, any and all approvals, registrations or permits required thereunder. The Tenant shall (i) conduct and complete all investigations, studies, sampling and testing and all remedial, removal and other actions necessary to clean up and remove all Hazardous Substances released, stored, generated or used by it on, from or affecting the Demised Premises (A) in accordance with all applicable federal, state and local laws, ordinances, rules, regulations and policies, (B) to the satisfaction of the Agency, and (C) in accordance with the orders and directives of all federal, state and local governmental authorities; and (ii) defend, indemnify and hold harmless the Agency, its employees, agents, officers, members and directors, from and against any claims, demands,

penalties, fines, liabilities, settlements, damages, costs or expenses of whatever kind or nature, known or unknown, contingent or otherwise, arising out of, or in any way related to (A) the presence, disposal, release or threatened release of any Hazardous Substances which are on, from or affecting the soil, water, vegetation, buildings, personal property, persons, animals or otherwise, (B) any bodily injury, personal injury (including wrongful death) or property damage (real or personal) arising out of or related to such Hazardous Substances, (C) any lawsuit brought or threatened, settlement reached, or government order relating to such Hazardous Substances, or (D) any violation of laws, orders, regulations, requirements or demands of government authorities, or of any policies or requirements of the Agency, which are based upon or in any way related to such Hazardous Substances, and in all cases which result from the intentional or unintentional act or omission of the Tenant or any of its contractors, subcontractors or subtenants, including, without limitation, reasonable attorney and consultant fees, investigation and laboratory fees, court costs and litigation expenses. The provisions of this Section shall be in addition to any and all other obligations and liabilities the Tenant may have to the Agency at common law and shall survive the transactions contemplated herein.

(c) Notwithstanding the provisions of subsections (a) and (b) above, the Tenant may in good faith contest the validity or the applicability of any requirement of the nature referred to in such subsections (a) and (b) by appropriate legal proceedings conducted in good faith and with due diligence. In such event, the Tenant may fail to comply with the requirement or requirements so contested during the period of such contest and any appeal therefrom, unless the Agency shall notify the Tenant that, by failure to comply with such requirement or requirements, the Facility or any part thereof may be subject to loss, penalty or forfeiture, in which event the Tenant shall promptly take such action with respect thereto or provide such security as shall be reasonably satisfactory to the Agency. If at any time the then existing use or occupancy of the Demised Premises shall, pursuant to any zoning or other law, ordinance or regulation, be permitted only so long as such use or occupancy shall continue, the Tenant shall use reasonable efforts not to cause or permit such use or occupancy by the Tenant to be discontinued without the prior written consent of the Agency, which consent shall not be unreasonably withheld.

(d) Notwithstanding the provisions of this Section, if, because of a breach or violation of the provisions of subsection (a) or (b) above (without giving effect to subsection (c)), the Agency or any of its members, directors, officers, agents or employees shall be threatened with a fine, liability, expense or imprisonment, then, upon notice from the Agency, the Tenant shall immediately provide legal protection or pay an amount or post a bond in an amount necessary, in the opinion of the Agency and of its members, directors, officers, agents and employees, to the extent permitted by applicable law, to remove the threat of such fine, liability, expense or imprisonment.

(e) Notwithstanding any provisions of this Section, the Agency retains the right to defend itself in any action or actions which are based upon or in any way related to such Hazardous Substances. In any such defense of itself, the Agency shall select its own counsel, and any and all costs of such defense, including, without limitation, reasonable attorney and consultant fees, investigation and laboratory fees, court costs and litigation expenses, shall be paid by the Tenant.

Section 3.6 Agreement to Provide Information. Annually, the Tenant shall provide the Agency with a certified statement and documentation (i) enumerating the FTE jobs, by category, retained and/or created at the Facility as a result of the Agency's financial assistance and (ii) indicating the fringe benefits and salary averages or ranges for such categories of FTE jobs created and/or retained.¹ The Tenant further agrees to provide and certify or cause to be provided and certified whenever requested by the Agency any other information concerning the Tenant, its respective finances, its respective operations, its respective employment and its affairs necessary to enable the Agency to make any report required by law, governmental regulation, including, without limitation, any reports required by the Act, the Public Authorities Accountability Act of 2005, or the Public Authorities Reform Act of 2009, each as amended from time to time, or any other reports required by the New York State Authority Budget Office or the Office of the State Comptroller, or any of the Agency Documents or Tenant Documents. Such information shall be provided within thirty (30) days following written request from the Agency.

Section 3.7 Employment Opportunities; Notice of Jobs. The Tenant covenants and agrees that, in consideration of the participation of the Agency in the transactions contemplated herein, it will, except as otherwise provided by collective bargaining contracts or agreements to which it is a party, cause any new employment opportunities created in connection with the Demised Premises to be listed with the New York State Department of Labor, Community Services Division and with the administrative entity of the service delivery area created pursuant to the Job Training Partnership Act (PL 97-300), as superseded by the Workforce Innovation and Opportunity Act (PL. 113-128), in which the Facility is located (collectively, the "Referral Agencies"). The Tenant also agrees that it will, except as otherwise provided by collective bargaining contracts or agreements to which it is a party, first consider for such new employment opportunities persons eligible to participate in federal job training partnership programs who shall be referred by the Referral Agencies.

Section 3.8 Subleasing.

(a) In accordance with Section 862(1) of the Act, the Demised Premises shall not be occupied by a sublessee whose tenancy would result in the removal of a facility or plant of the proposed sublessee from one area of the State to another area of the State or in the abandonment of one or more plants or facilities of such sublessee located within the State; provided, however, that neither restriction shall apply if the Agency shall determine:

- (i) that such occupation of the Demised Premises is reasonably necessary to discourage the proposed sublessee from removing such other plant or facility to a location outside the State, or
- (ii) that such occupation of the Demised Premises is reasonably necessary to preserve the competitive position of the proposed sublessee in its respective industry.

¹Cannot be removed or modified; required by GML Section 859-a(6)(b).

(b) The Tenant may not assign the Tenant Lease Agreement or sub-sublease the Demised Premises without the prior written consent of the Agency. Any assignment or sub-sublease shall conform with the restrictions and requirements set forth in Section 9.3 of the Lease Agreement.

Section 3.9 Approval of Tenant Lease Agreement. The Agency hereby approves the subleasing of the Facility by the Company to the Tenant pursuant to the terms of the Tenant Lease Agreement.

Section 3.10 Definitions. All capitalized terms used in this Tenant Agency Compliance Agreement and not otherwise defined herein shall have the meanings assigned thereto in the Schedule of Definitions attached to the Lease Agreement as Schedule A.

Section 3.11 Execution of Counterparts. This Tenant Agency Compliance Agreement may be executed in several counterparts, each of which shall be an original and all of which shall constitute but one and the same instrument.

EXHIBIT L

DUTCHESS COUNTY INDUSTRIAL DEVELOPMENT AGENCY

Local Workforce Utilization Policy

Construction jobs, though limited in time duration, are vital to the overall employment opportunities in Dutchess County. The Dutchess County Industrial Development Agency (the "Agency") believes that Project Applicants (the "Company"), as a condition to receiving Financial Assistance (including a sales tax exemption, mortgage recording tax exemption, real property tax abatement and/or bond proceeds) from the Agency, will be required to utilize qualified Workforce, as defined below, for all projects involving the construction, expansion, equipping, demolition and/or remediation of new, existing, expanded or renovated facilities (collectively, the "Project Site").

For Projects \$10,000,000 and Above

Local Area Defined

For projects equal to or greater than \$10,000,000 the Local Area is defined as individuals residing in the following County/Cities/Towns/Villages as well as the following Counties (collectively, the "Local Area"): Dutchess County, Orange County, Putnam County, Rockland County, Sullivan County, Ulster County and Westchester County.

Local Workforce Requirement

At least **80%** of all project employees of the general contractor, subcontractor, or subcontractor to a subcontractor (collectively the "Workers") working on the Project Site must reside within the Local Workforce Area. Companies do not have to be local companies as defined herein, but must employ local Workers residing within the Local Workforce Area to qualify under the 80% local Workforce criteria.

Local Workforce Reporting Requirement

The Local Workforce criteria will be verified based on employment, payroll and related records.

In addition, the Agency, or its designated agents, shall have the right, during normal business hours, to examine and copy records of the Company and to perform spot checks of all Workers at the Project Site to verify compliance with the Local Workforce requirement throughout the construction period.

Enforcement

If Agency staff determines that: (1) The Local Workforce Requirement is not being met; or (2) Agency Staff, upon use of its reasonable discretion, discovers or becomes aware of a compliance issue related to the Local Workforce Requirement, then a written warning delivered by Certified Mail of said Local Workforce Requirement violation (the "Warning of Violation") shall be provided to the Company.

In the event a subsequent violation of the policy has occurred, then written notice delivered by Certified Mail of said Local Workforce Requirement violation (the "Notice of Violation") shall be

provided to the Company and the Executive Director shall bring the information to the Board of Directors which may, in its discretion, take action to revoke IDA benefits.

Waiver Request

It is understood that at certain times, Workers residing within the Local Area may not be available with respect to a Project. Under this condition, the Company is required to contact the Agency to request a waiver of the Local Utilization Requirement (the "Local Workforce Utilization Waiver Request") based on the following circumstances:

- Warranty issues related to installation of specialized equipment or materials whereby the manufacturer requires installation by only approved installers
- Specialized construction for which qualified Local Workforce Area workers are not available;
- Significant cost differentials in bid prices whereby the use of local Workforce significantly increases the cost of the project. A cost differential of 10% is deemed significant. Every effort should be made by the contractor or applicant to get below the 10% cost differential including, but not limited to, meeting with local construction trade organizations and local contractor associations
- Documented lack of workers meeting the Local Workforce Area requirement

The Agency shall evaluate the Local Workforce Utilization Waiver Request and make its determination related thereto based upon the supporting documentation received with such waiver request.

(Remainder of Page Intentionally Left Blank)

The foregoing terms have been read, reviewed and understood by the Company and all appropriate personnel. The undersigned agrees and understands that the information contained herein must be transmitted and conveyed in a timely fashion to all applicable subcontractors, suppliers and materialmen. Furthermore, the undersigned realizes and understands that failure to abide by the terms herein could result in the Agency revoking all or any portion of Financial Assistance, whether already received or to be received by the Company, as it deems reasonable in its sole discretion for any violation hereof.
