WHEREAS, the proposed real property tax abatement requested by the Company deviates from the Standard PILOT Schedule in the Agency’s Uniform Tax Exemption and Criteria Policy (the “**UTEP**”) but has been consented to by the City of Beacon, which consent is reflected in the letter of the City of Beacon City Administrator, Christopher White, dated November 10, 2022, and by the School Board of the Beacon City School District, which consent is reflected in the resolution of the Beacon City School District School Board dated February 6, 2023; and

WHEREAS, in compliance with §859-a of the Act, the Agency on April 10, 2023, held a public hearing on the grant of financial assistance as set forth herein following publication in the *Poughkeepsie Journal* on March 28, 2023 of a notice of the public hearing; and

WHEREAS, the Company has agreed to indemnify the Agency against certain losses, claims, expenses, damages and liabilities that may arise in connection with the transaction contemplated by the leasing of the Facility by the Agency to the Company.

NOW, THEREFORE, BE IT RESOLVED, by the Agency (a majority of the members thereof affirmatively concurring) as follows:

Section 1. The Agency hereby finds and determines:

(a) As set forth in the Planning Board’s Negative Declaration, the Project will not have a “significant adverse impact” or “significant adverse effect” on the environment as defined under SEQRA and the Agency hereby adopts the reasoning and findings set forth in the Negative Declaration; and

(b) Although the Facility will be used in making retail sales to customers who visit the Facility and would be considered a “retail facility”, based upon the representations and warranties of the Company and Company Counsel and the report from Newmark Valuation & Advisory, LLC dated February 22, 2023, the Agency finds that the Facility will be a tourism destination as described in §862(2)(a) of the Act and therefore the Facility is not subject to the prohibitions on providing financial assistance to retail facilities.

Section 2. The Agency further hereby finds and determines:

(a) By virtue of the Act, the Agency has been vested with all powers necessary and convenient to carry out and effectuate the purposes and provisions of the Act and to exercise all powers granted to it under the Act; and

(b) The Facility constitutes a “project”, as such term is defined in the Act; and

(c) The public hearing held by the Agency on April 10, 2023, concerning the grant of Financial Assistance as set forth herein and the nature and location of the Facility was duly held in accordance with the laws of the State of New York, including but not limited to the giving of public notice of the meeting a reasonable time before the meeting and affording a reasonable opportunity for persons with differing views to be heard on Agency’s providing the financial assistance contemplated herein and the location and nature of the Facility; and

(d) The Project Work and the leasing of the Facility to the Company will promote and maintain the job opportunities, health, general prosperity and economic welfare of the citizens of Dutchess County and the State of New York and improve their standard of living and thereby serve the public purposes of the Act; and

(e) the proposed real property tax abatement requested by the Company deviates from the Standard PILOT in the Agency’s UTEP, but the conditions of the Agency’s UTEP have been met and a deviation is warranted;

(f) The Project will serve the Agency’s public purposes as set forth in the Act by preserving or increasing the number of permanent, private sector jobs in Dutchess County and the State of New York.

(g) Based upon representations of the Company and counsel to the Company, the Facility conforms with the local zoning laws and planning regulations of Dutchess County and all regional and local land use plans for the area in which the Facility is located; and

(h) It is desirable and in the public interest for the Agency to approve the requested Financial Assistance for this Project; and

(i) The Company Lease will be an effective instrument whereby the Agency leases the Land and Improvements from the Company; and

(j) The Lease Agreement will be an effective instrument whereby: (1) the Agency leases and subleases the Facility to the Company; (2) the Agency and the Company set forth the terms and conditions of their agreement regarding the Company's payments-in-lieu of real property taxes; (3) the Company agrees to comply with all Environmental Laws (as defined therein) applicable to the Facility and will indemnify and hold harmless the Agency for all liability under all such Environmental Laws; and (4) the Agency and the Company set forth the circumstances in which the Agency may recapture some or all of the benefits granted to the Company in the event any enumerated Recapture Event (as defined therein) occurs.

Section 3. In consequence of the foregoing, the Agency hereby determines to: (i) lease the Land and Improvements from the Company pursuant to the Company Lease, (ii) execute, deliver and perform the Company Lease, (iii) sublease and lease the Facility to the Company pursuant to the Lease Agreement, and (iv) execute, deliver and perform the Lease Agreement.

Section 4. The Agency is hereby authorized to acquire the real property and personal property described in Exhibit A and Exhibit B, respectively, to the Lease Agreement, and to do all things necessary or appropriate for the accomplishment thereof, and all acts heretofore taken by the Agency with respect to such acquisition are hereby approved, ratified and confirmed.

Section 5. The form and substance of the Company Lease and the Lease Agreement, (each in substantially the forms presented to the Agency and which, prior to the execution and delivery thereof, may be redated and renamed) are hereby approved.

Section 6. Recapture Provisions. The Agency has retained certain recapture rights under the terms and conditions of the Lease Agreement upon the occurrence of a Recapture Event as defined therein. Section 5.4 of the Lease Agreement relating to recapture rights by the Agency against the Company is attached hereto and made a part hereof as Exhibit B.

Section 7. Based upon the representation and warranties made by the Company in the Application, the Agency hereby authorizes and approves the following economic benefits to be granted to the Company in connection with the Project Work in the form of: (i) exemptions from sales and use taxes in an approximate amount not to exceed \$2,153,125 in connection with the purchase or lease of equipment, building materials, services or other personal property with respect to the Facility; (ii) exemptions from mortgage recording taxes for one or more mortgages securing an amount not to exceed \$48,000,000, in connection with the financing of the acquisition, construction, renovation and equipping of the Facility and any future financing, refinancing or permanent financing of the costs of acquiring, constructing, renovating and equipping of the

Facility; and (iii) abatement of real property taxes (as set forth in the PILOT Schedule attached as Exhibit A hereof). The Agency agrees to consider any requests by the Company for increases to the amount of sales and use tax exemption benefits authorized by the Agency upon being provided with appropriate documentation detailing the additional purchases of property or services, and, to the extent required, the Agency authorizes and conducts any supplemental public hearing(s).

Section 8. Subject to (i) execution of the Agency Documents by the Company and (ii) the delivery to the Agency of a binder, certificate or other evidence of liability insurance policy for the Facility satisfactory to the Agency, the Agency hereby authorizes the Company to proceed with the Project Work and appoints the Company as the true and lawful agent of the Agency.

The Special District PILOTs shall not be apportioned but shall be billed with the School District PILOT invoice. The School District PILOT shall not be apportioned but shall be calculated, billed and paid separately.

“City PILOT” shall mean the City of Beacon’s Apportioned Share of the Annual PILOT due on February 28 of each year.

“County PILOT” shall mean the Dutchess County’s Apportioned Share of the Annual PILOT due on February 28 of each year.

For the County PILOT, the City PILOT and the School District PILOT, the PILOT shall be equal to the full amount of taxes that would have been levied upon the Facility and Additional Facilities, up to an assessed value of \$3,000,000 if the Facility and Additional Facilities were owned by the Company and the Agency had no ownership interest. If the assessed value exceeds \$3,000,000, the County PILOT, City PILOT and the School District PILOT shall be increased by an amount equal to the amount of taxes that would have been levied upon the Facility and Additional Facilities on that excess amount but reduced by the following exemption percentage:

PILOT Year	Exemption Percentage
1	50%
2	50%

- (xii) If there shall occur a Recapture Event during the twelfth (12th) year after the Completion Date or thereafter, the Company shall not be obligated to pay to the Agency, or to the State of New York, any of the Recaptured Benefits; and

(b) The term “**Recaptured Benefits**” shall mean all direct monetary benefits, tax exemptions and abatements and other financial assistance, if any, derived solely from the Agency’s participation in the transaction contemplated by the Lease Agreement including, but not limited to, the amount equal to 100% of:

- (i) the Mortgage Recording Tax Exemption; and
- (ii) Sales Tax Exemption savings realized by or for the benefit of the Company, including any savings realized by any Agent pursuant to the Lease Agreement and each Sales Tax Agent Authorization Letter issued in connection with the Facility (the “**Company Sales Tax Savings**”); and

 - (4) Failure of the Company to create or cause to be maintained at least ninety percent (90%) of the number of FTE jobs at the Facility as provided in Section 8.11 of the Lease Agreement, which failure is not reflective of the business conditions of the Company or the subtenants of the Company, including without limitation loss of major sales, revenues, distribution or other adverse business developments and/or local, national or international economic conditions, trade issues or industry wide conditions; or
 - (5) Any significant deviations from the Project Application Information which would constitute a significant diminution of the Company’s activities in, or commitment to Dutchess County, New York; or
 - (6) The Company receives Sales Tax Savings in connection with the Project Work in excess of the Maximum Company Sales Tax Savings Amount; provided, however, that the foregoing shall constitute a Recapture Event with respect to such excess Sales Tax Savings only. It is further provided that failure to repay the Sales Tax Savings within thirty (30) days shall constitute a Recapture Event with respect to all Recapture Benefits.

(d) Furthermore, notwithstanding the foregoing, a Recapture Event shall not be deemed to have occurred if the Recapture Event shall have arisen as a result of (i) a “force majeure” event (as more particularly defined in Section 10.1(b) hereof), (ii) a taking or condemnation by governmental authority of all or part of the Facility, or (iii) the inability or failure of the Company after the Facility shall have been destroyed or damaged in whole or in part (such occurrence a “**Loss Event**”) to rebuild, repair, restore or replace the Facility to substantially its condition prior to such Loss Event, which inability or failure shall have arisen in good faith on the part of the Company or any of its affiliates so long as the Company or any of its affiliates have diligently and in good faith using commercially reasonable efforts pursued the rebuilding, repair, restoration or replacement of the Facility or part thereof.

(e) The Company covenants and agrees to furnish the Agency with written notification (i) within sixty (60) days of the end of each Tax Year of the number of FTEs located at the Facility for such Tax Year, and (ii) within thirty (30) days of actual notice of any facts or circumstances

which would likely lead to a Recapture Event or constitute a Recapture Event hereunder. The Agency shall notify the Company of the occurrence of a Recapture Event hereunder, which notification shall set forth the terms of such Recapture Event.

(f) In the event any payment owing by the Company under this Section shall not be paid on demand by the Agency, such payment shall bear interest from the date of such demand at a rate equal to one percent (1%) plus the Prime Rate, but in no event at a rate higher than the maximum lawful prevailing rate, until the Company shall have made such payment in full, together with such accrued interest to the date of payment, to the Agency (except as otherwise specified above).

(g) The Agency shall be entitled to deduct all reasonable out of pocket expenses of the Agency, including without limitation, reasonable legal fees, incurred in connection with the recovery of all amounts due under this Section 5.4, from amounts received by the Agency pursuant to this Section 5.4.

(h) The Company acknowledges that Section 5.4 is intended to reflect the Agency's "Policy on Maintaining Performance Based Incentives (MPBI)" a copy of which is attached hereto as Exhibit G and made a part hereof, and that such policy includes the process by which the Agency will review any performance based incentive deficiencies, the Company's explanations and proposed cures thereof and exercise any remedies hereunder or waiver of same.
