(B) The representations and warranties contained in Section 2.2 of the Loan Agreement are true, and by this reference such representations and warranties are incorporated into this Bond Purchase Agreement.

(C) Except as set forth in the General Certificate of the Institution executed in connection with the issuance of the Bond, there are no actions, suits or proceedings at law or in equity, or before or by any Governmental Authority, pending or, to the knowledge of the Institution, threatened against or affecting the Institution, the Mortgaged Property or the Project Facility or which may materially adversely affect the financial condition of the Institution, or involving the validity or enforceability of any of the Financing Documents or the priority of the Liens thereof, and, to the Institution's knowledge, neither is the Institution in default with respect to any order, writ, judgment, decree or demand of any court or any Governmental Authority.

(F) No approval or other action by any Governmental Authority is required in connection with the execution or performance by the Institution of the Financing Documents to which the Institution is a party.

(G) The Institution has not made any contract or arrangement of any kind (which remains unpaid) the performance of which by the other party thereto would give rise to a Lien on either the Mortgaged Property or the Project Facility or any part thereof, except for the Financing Documents and Permitted Encumbrances, and neither is the Institution in default under the Financing Documents.

(H) There is no default under any Financing Document and no event has occurred and is continuing which with notice or the passage of time or both would constitute a default under any Financing Document.

(I) All proceeds of the Bond disbursed to or upon the order of the Institution shall be used solely for paying the Cost of the Project.

(J) The Institution will comply with all of the terms, conditions and provisions of the Tax Regulatory Agreement. All of the representations, certifications, statements of reasonable expectation and covenants made by the Institution in the Tax Regulatory Agreement are hereby declared to be for the benefit of, among others, the Issuer and the Holder and, by this reference, are incorporated by this reference as though set forth in full herein.

SECTION 205. REPRESENTATIONS AND COVENANTS OF THE HOLDER. The Holder represents to and covenants and agrees with the Issuer as follows:

(A) The Holder has had an opportunity to make such investigations and has had access to such information with respect to the Institution and its affairs and condition, financial or otherwise, which the Holder has deemed necessary in connection with and as a basis for the purchase of the Bond, and any and all information relating to the Institution and its affairs which the Holder has requested has been provided to the Holder.

(B) The Holder has approved this Bond Purchase Agreement, the Bond Resolution and the other Financing Documents, and such documents contain the terms agreed to by the Holder.

(C) The Holder is purchasing the Bond (1) for its own account, for the purpose of investment and not with a view to the distribution or resale thereof and (2) not for the account of others. The Holder has not offered, offered to sell, offered for sale or sold the Bond by means of any form of general solicitation or general advertising and the Holder is not an underwriter within the meaning of Section 2(11) of the Securities Act of 1933, as amended, and will not sell the Bond without registration under the Securities Laws or exemption therefrom. (D) The Holder agrees to notify the Issuer and the Institution in writing of any proposed transfer or resale of the Bond and to furnish to them prior to any such transfer or resale (1) except with respect to a transfer to a Financial Institution, an opinion of Independent Counsel reasonably satisfactory to the Issuer and the Holder that such transfer or resale does not and will not require registration of the Bond under the Securities Laws, and (2) except with respect to a transfer to a Financial Institution, a certificate of the purchaser of the Bond to the effect that such purchaser has been provided with all requested disclosure information by the Institution. The Holder further agrees that all transfers of the Bond shall comply with Section 303 hereof and that, upon any transfer or resale of the Bond, the Holder shall assign to the transferee or purchaser of the Bond all of the Holder's rights pursuant to this Bond Purchase Agreement and the other Financing Documents, and in that connection will execute and deliver all instruments and documents necessary or appropriate therefor.

(E) The Holder understands that (1) the Bond is a special obligation of the Issuer payable solely from certain of the Loan Payments, revenues and receipts derived by the Issuer from or in connection with the Loan Agreement, (2) the Issuer has no power of taxation and (3) neither the Issuer nor any member, officer, agent (other than the Institution) or employee of the Issuer has made or will make any representation or warranty, express or implied, with respect to the merchantability, condition or workmanship of any part of the Project Facility, or the suitability of the Project Facility for the Institution's purposes or needs, or the extent to which the proceeds derived from the sale of the Bond will be sufficient to pay the cost of undertaking or completing the Project.

(F) The Holder has received from the Institution and not the Issuer whatever information requested with respect to the Institution and the Project Facility which the Holder deems, as a reasonable investor, important in reaching its investment decision to purchase the Bond. The Holder acknowledges that neither the Issuer nor its counsel nor Bond Counsel have made any investigation or inquiry with

(H) The Holder has not relied upon the determination of the Issuer to issue its tax-exempt revenue bond to finance the Project Facility for any purpose in connection with its evaluation of the financial condition, creditworthiness or competence of the Institution, or of the integrity of the management of the Institution, or of the suitability of the Project Facility for the Institution's business.

Notwithstanding the foregoing, such certificate may state (a) that it is given without prejudice to any rights of the Institution against third parties which exist at the date of such certificate or which may subsequently come into being, (b) that it is given only for the purposes of this Section 409, and (c) that no Person other than the Issuer, the Disbursing Agent or the Holder may benefit therefrom. Such certificate shall be accompanied by (x) a certificate of occupancy, if required, and any and all permissions, licenses or consents required of Governmental Authorities for the occupancy, operation and use of the Project Facility for its intended purposes and (y) an updated title policy insuring that the Mortgage constitutes a valid first priority mortgage Lien on and a valid first priority perfected security interest in the Mortgaged Property, subject only to Permitted Encumbrances.

(F) All earnings on amounts held in the Insurance and Condemnation Fund may be used to pay the cost of the restoration of the Project Facility upon satisfaction of the conditions contained in this Section 409. All moneys which remain in the Insurance and Condemnation Fund after the receipt by the Holder of the items required by subsection (E) hereof shall be applied as provided in Section 7.1(C) and 7.2(D) of the Loan Agreement.

(G) If the cost of the repairs, rebuilding or restoration effected by the Institution shall be less than the amount in the Insurance and Condemnation Fund, then on the completion of such repairs, rebuilding or restoration, the Disbursing Agent shall apply such difference to prepay the Bond.

(H) Pursuant to Section 7.1 and Section 7.2 of the Loan Agreement, if the estimated cost of the repair, rebuilding or restoration of the Project Facility shall be in excess of the moneys held in the Insurance and Condemnation Fund, the Institution shall deposit such additional moneys in the Insurance and Condemnation Fund as are necessary to pay the cost of completing such repair, rebuilding or restoration. The Disbursing Agent may withhold any disbursement from the Insurance and Condemnation Fund until the Institution shall make such deposit.

(I) Moneys on deposit in the Insurance and Condemnation Fund may be invested in Authorized Investments in accordance with Section 411 hereof. All interest and other income accrued and earned on amounts held in the Insurance and Condemnation Fund shall be deposited by the Trustee into the Insurance and Condemnation Fund and may be used for the purposes thereof.

(J) Notwithstanding the foregoing, in no event shall the Disbursing Agent disburse the final ten percent (10%) of amounts deposited in the Insurance and Condemnation Fund until the Disbursing Agent shall have received the calculation of the Rebate Amount described in Section 410 hereof determined in accordance with the Tax Regulatory Agreement from the Institution together with, if any rebate is due, either directions (1) to transfer the Rebate Amount from the Insurance and Condemnation Fund to the Rebate Fund, or (2) to pay the Rebate Amount with amounts deposited in the Rebate Fund.

SECTION 410. REBATE FUND. (A) The Holder, upon the receipt of a certificate of the Rebate Amount from an Authorized Representative of the Institution, shall deposit in a subaccount in the Rebate Fund (the "Rebate Fund Principal Subaccount"), within thirty (30) days after the end of each Bond Year commencing with the first Bond Year, an amount such that the amount held in the Rebate Fund Principal Subaccount after such deposit is equal to the Rebate Amount calculated as of the last day of the prior Bond Year. If there has been delivered to the Holder a certification of the Rebate Amount in conjunction with the completion of the Project or the restoration of the Project Facility pursuant to Section 4.4 of the Loan Agreement or Section 402(E) hereof at any time during a Bond Year, the Holder shall deposit in the Rebate Fund Principal Subaccount upon receipt of such certification an amount such that the amount held in the Rebate Fund Principal Subaccount after such deposit is equal to the Rebate Amount calculated on the Completion Date or at the time of restoration of the Project Facility, as the case may be. The amount to be deposited in the Rebate Fund shall be withdrawn from the earnings subaccount of the fund or funds designated by the Institution, or in the event that the amounts held in such earnings subaccount are less than the Rebate Amount, the amount to be deposited shall be withdrawn from the fund or funds designated by the Institution or from other moneys made available by the Institution.

(B) Amounts on deposit in the Rebate Fund Principal Subaccount shall be invested in accordance with the provisions of Section 411 hereof and the Tax Regulatory Agreement. All income from such investments shall be deposited in a subaccount in the Rebate Fund (the "Rebate Fund Earnings Subaccount") and paid to the United States on the date of any payment made pursuant to Section 410(D) hereof.

(C) In the event that on the first day of any Bond Year, after the calculation of the Rebate Amount, the amount on deposit in the Rebate Fund Principal Subaccount exceeds the Rebate Amount, the Holder, upon the receipt of written instructions from an Authorized Representative of the Institution, shall withdraw such excess amount and deposit it in the Project Fund prior to the Completion Date, or, after the Completion Date, apply such amounts to the payment of principal and interest due on the Bond on the next following Bond Payment Date.

(D) The Holder, upon the receipt of written instructions from an Authorized Representative of the Institution, shall pay to the United States, from amounts on deposit in the Rebate Fund or from other moneys supplied by the Institution, (1) not less frequently than once every five (5) years after the date of original issuance of the Bond, an amount such that, together with prior amounts paid to the United States, the total paid to the United States is equal to ninety percent (90%) of the Rebate Amount with respect to the Bond as of the date of such payment plus all amounts then held in the Rebate Fund Earnings Subaccount, and (2) not later than thirty (30) days after the date on which the Bond have been paid in full, one hundred percent (100%) of the Rebate Amount as of the date of such payment plus all amounts then held in the Rebate Fund Earnings Subaccount.

(E) This Section 410 may be amended without notice to, or consent of the Holder at the request of the Institution to comply with the applicable regulations of the Treasury Department upon the delivery by the Institution to the Disbursing Agent of an opinion of Bond Counsel that such amendment will not adversely affect the tax-exempt status of the interest payable on the Bond.

SECTION 411. INVESTMENT OF MONEYS IN FUNDS. (A) Any moneys in the funds established pursuant to Section 402 hereof not required for immediate use or disbursement shall be invested and reinvested by the Disbursing Agent in Authorized Investments, as the Institution shall direct in writing, or orally, if promptly confirmed in writing, except that the Disbursing Agent need not make an investment which would, in its opinion, result in insufficient uninvested funds being available to meet anticipated requests for disbursement. In making any such investment, the Disbursing Agent may rely conclusively on the written directions of the Institution delivered to it pursuant to this Section 411 and the Disbursing Agent shall be relieved of all liability with respect to the making of such investments in accordance with such directions. In the absence of such direction, the Disbursing Agent shall have no duty to invest such moneys and shall not be liable for interest thereon.

(B) Investments made pursuant to this Section 411 with respect to a fund shall mature in such amounts and have maturity dates or be subject to redemption at the option of the holder thereof on or prior to the dates on which the moneys invested therein will be needed for the purposes of such fund. The Disbursing Agent may at any time sell or otherwise reduce to cash a sufficient amount of such investments whenever the cash balance in the fund from which the moneys to acquire such investment was taken is insufficient in the sole reasonable judgment of the Disbursing Agent for the purposes thereof. Any such investments shall be held by or under control of the Disbursing Agent and shall be deemed at all times a part of the fund from which the moneys to acquire such investment was taken, and the interest accruing thereon and any profit realized from such investments shall be credited to and held in, and any loss shall be charged to, such fund.

(C) Neither the Disbursing Agent nor the Issuer nor their respective members, directors, officers, agents, servants or employees shall be liable for any depreciation in the value of any investments made pursuant to this Section 411 or for any loss arising from any such investment, except, in the case of the Disbursing Agent, as a result of its willful misconduct or gross negligence.

SECTION 412. LIEN ON FUNDS. The Issuer and the Institution hereby assign and grant to the Holder a Lien upon and security interest in the Project Fund, the Insurance and Condemnation Fund and any other fund or account established pursuant to Section 402 hereof (except the Rebate Fund) and all investments made pursuant to Section 411 hereof as security for the payment of the principal of, premium, if any, and interest on the Bond and all sums payable pursuant to this Bond Purchase Agreement.

ARTICLE V

REPAYMENT BY ISSUER

SECTION 501. PAYMENT OF PRINCIPAL, PREMIUM, IF ANY, AND INTEREST. (A) The Issuer shall pay the principal of, and the premium, if any, and interest on, the Bond in accordance with the provisions thereof, but solely to the extent provided in Section 503 hereof.

(B) In the event any payment of the principal of, or premium, if any, or interest on, the Bond is not paid within ten (10) days of the date when due, the Issuer, subject to the limitations contained in Section 503 hereof, shall pay the same, together with a late charge in an amount equal to 5% of any such overdue payment.

SECTION 502. PREPAYMENT OF THE BOND. (A) The Bond may be prepaid at any time prior to maturity in whole or in part at the option of either the Institution or the Issuer upon the direction of the Institution with thirty (30) days prior written notice to the Holder at a prepayment price equal to one hundred percent (100%) of the principal amount so prepaid, plus accrued interest to the date of such prepayment, plus payment of the applicable Yield Maintenance Fee.

(B) The Bond shall be subject to mandatory prepayment, in whole or in part, at a prepayment price equal to one hundred percent (100%) of the principal amount so prepaid plus accrued interest to the date of such prepayment, in the event that (1) there are any Net Proceeds of amounts received from or on behalf of contractors, subcontractors or materialmen, as provided in the Loan Agreement, or (2) there are any moneys remaining in the Insurance and Condemnation Fund after payment of all costs of restoring the Project Facility as provided in Section 408(G) of this Bond Purchase Agreement.

(C) The Bond shall also be subject to mandatory prepayment, in whole, at the option of the Holder, at a prepayment price equal to one hundred percent (100%) of the outstanding Principal Balance of the Bond, together with accrued interest to the date of prepayment, upon the occurrence of an Event of Taxability or an Event of Default.

SECTION 503. SPECIAL OBLIGATIONS. (A) The Bond, together with interest thereon and the obligations of the Issuer contained in this Bond Purchase Agreement and in the other Financing Documents, shall constitute a special obligation of the Issuer, and the principal of, and the premium, if any, and interest on, the Bond and all other charges payable by the Issuer pursuant to this Bond Purchase Agreement and such other Financing Documents shall be payable solely from the revenues of the Issuer derived and to be derived from the Loan Agreement (except for revenues derived and to be derived in connection with the Unassigned Rights), and any sale or other disposition of the Project Facility.

(B) NEITHER THE MEMBERS, OFFICERS, AGENTS (OTHER THAN THE INSTITUTION), SERVANTS OR EMPLOYEES OF THE ISSUER, NOR ANY PERSON EXECUTING THE BOND, SHALL BE LIABLE PERSONALLY THEREON OR BE SUBJECT TO ANY PERSONAL LIABILITY OR ACCOUNTABILITY BY REASON OF THE ISSUANCE, SALE OR DELIVERY THEREOF OR BE LIABLE PERSONALLY HEREON OR THEREON OR SUBJECT TO ANY PERSONAL LIABILITY OR ACCOUNTABILITY BASED HEREON OR THEREON. THE BOND, AND THE PREMIUM, IF ANY, AND INTEREST THEREON, ARE NOT, AND SHALL NOT BE DEEMED TO CONSTITUTE, A DEBT OF THE STATE OF NEW YORK, DUTCHESS COUNTY, NEW YORK OR ANY POLITICAL SUBDIVISION THEREOF, AND NEITHER THE STATE OF NEW YORK, DUTCHESS COUNTY, NEW YORK NOR ANY SUCH POLITICAL SUBDIVISION SHALL BE LIABLE THEREON.

(C) All payments made by or on behalf of the Institution to the Holder or to its successors or assigns as holder of the Bond, or upon its or their order, pursuant to this Bond Purchase Agreement or any other Financing Document or any other security for the Bond shall, to the extent of the sum or sums so paid, satisfy and discharge the liability of the Issuer for monies payable upon the Bond or pursuant to this Bond Purchase Agreement and the other Financing Documents, as the case may be. The Holder agrees, within ten (10) days after the receipt of a request for same, to give the Issuer and the Institution a written statement of the then current unpaid principal balance of the Bond.

SECTION 504. DEFEASANCE. If the Issuer shall pay or cause to be paid, or there shall otherwise be paid, the Indebtedness, then this Bond Purchase Agreement and all covenants, agreements and other obligations of the Issuer hereunder, and the liens and security interests created by this Bond Purchase Agreement and the other Financing Documents shall thereupon terminate and be discharged and satisfied, and thereupon all the monies and properties of the Issuer then subject to such liens and security interests shall be free and clear thereof. In such event, the Holder shall execute and record or file, at the expense of the Institution, all documents reasonably requested by the Issuer to effect such discharge and satisfaction.

SECTION 505. ADDITIONAL AMOUNTS PAYABLE FOLLOWING AN EVENT OF TAXABILITY.

(A) If an Event of Taxability shall occur, the Issuer shall, subject to the limitations contained in Section 503 and Section 807 hereof, pay to the Holder the following additional amounts with respect to the Bond:

(1) Until payment of the Bond in full, on or before each Interest Payment Date on the Bond, the Issuer shall pay accrued interest on the Bond calculated at the Taxable Bond Rate.

(2) Within seven (7) business days after demand by the Holder, regardless of whether such demand shall be made prior to or at the maturity of the Bond or subsequent to payment in full of the Bond, the Issuer shall pay the following additional amounts:

(a) an amount equal to the difference between (i) the interest payments that would have been payable on the Bond had such interest payments been calculated from the date such interest was deemed to be includable in the gross income of the Holder for federal income tax purposes at the Taxable Bond Rate, as such Taxable Bond Rate may have varied from time to time during such period, and (ii) the amount of such interest payments actually made, plus

(b) the amount of penalties, additions to tax or interest assessed against the Holder on account of the inclusion of the interest payments on the Bond in the Holder's gross income for federal income tax purposes.

(B) If an Event of Taxability shall occur following the payment in full of the principal of, premium, if any, and interest on the Bond, the Holder shall give notice to the Institution of such Event of Taxability and, within thirty (30) days after receipt thereof, the Institution shall pay to the Holder an amount equal to 100% of all amounts payable by the Issuer to the Holder pursuant to subsection (A) hereof.

(C) The obligations of the Issuer and the Institution under this Section shall survive the payment in full of all sums due under the Bond and this Section and the expiration or sooner termination of this Bond Purchase Agreement and shall continue in full force and effect until sixty (60) days after all applicable statutes of limitation have run (after taking into account all extensions and suspensions thereof) in respect of any taxable year during which any payment of interest on the Bond was received or accrued.

SECTION 506. INCREASED COSTS; CAPITAL ADEQUACY. (A) If the adoption, effectiveness or phase-in, after the date hereof, of any applicable law, rule or regulation, or any change therein, or any change in the interpretation or administration thereof by any Governmental Authority, central bank or comparable agency charged with the interpretation or administration thereof, or by the interpretations thereof by any court, or compliance by the Holder with any request or directive (whether or not having the force of law) of any such authority, central bank or comparable agency (each, a "Regulatory Change"):

(1) shall subject the Holder to any imposition or other charge with respect to any amounts due under the Bond Purchase Agreement or the Bond (except for changes in the rate of tax on the overall net income of the Holder); or

(2) shall impose, modify or deem applicable any reserve, special deposit, deposit insurance, capital adequacy, liquidity requirement or similar requirement (including, without limitation, any such requirement imposed by the Board of Governors of the Federal Reserve System) against assets of, deposits with or for the account of, or credit extended by, the Holder or shall impose on the Holder any other condition affecting payments under the Bond Purchase Agreement or the Bond or the Holder's rights to receive such payment

and the result of any of the foregoing is to increase the cost to the Holder of making or maintaining the investment evidenced by the Bond or to reduce the amount of any sum received or receivable by the Holder under the Bond Purchase Agreement or under the Bond by an amount deemed by the Holder to be material, then, upon demand by the Holder and receipt by the Institution of a certificate from the Holder setting forth its calculation of the amount owed, the Institution shall forthwith pay to the Holder such additional amount or amounts as will compensate the Holder for such increased costs or reduction in receipts. In determining such additional amounts, the Holder may make such reasonable estimates, assumptions, allocations and the like which the Holder in good faith determines to be its actual cost of funds, but the Holder's selection thereof and the Holder's determinations based thereon shall be final and binding and conclusive upon the Institution absent manifest error.

(B) If any change in, or the introduction, adoption, effectiveness, interpretation, reinterpretation or phase-in of, any law or regulation, directive, guideline, decision or request (whether or not having the force of law) of any court, central bank, regulator or other Governmental Authority affects or would affect the amount of capital required or expected to be maintained by the Holder, or any person controlling the Holder, and the Holder determines (in its sole and absolute discretion) that the rate of return on its or such controlling person's capital as a consequence of the Holder's ownership of the Bond are reduced to a level below that which the Holder or such controlling person could have achieved but for the occurrence of any such circumstance, then, in any such case upon notice from time to time by the Holder to the Institution, the Institution shall immediately pay directly to the Holder additional amounts sufficient to compensate the Holder or such controlling person for such reduction in rate of return. A statement of the Holder as to any such additional amount or amounts (including calculations thereof in reasonable detail) shall, in the absence of manifest error, be conclusive and binding on the Institution. In determining such amount, the Holder may use any method of averaging and attribution that it (in its sole and absolute discretion) shall deem applicable.

(C) A certificate of the Holder claiming compensation under this subsection shall be conclusive in the absence of manifest error. Such certificate shall set forth the nature of the occurrence giving rise to such compensation, the additional amount or amounts to be paid to the Holder hereunder and the method by which such amounts were determined. In determining such amounts, the Holder may use any reasonable averaging and attribution methods.

(D) No failure on the part of the Holder to demand compensation on any one occasion shall constitute a waiver of its right to demand such compensation on any other occasion and no failure on the part of the Holder to deliver any certificate in a timely manner shall in any way reduce any obligation of the Institution to the Holder under this subsection (D). If a Bond Holder has granted a participation in the Bond, the Institution's obligations to the Holder under this subsection (D) will be computed as if such participation had not taken place, with the Holder to be responsible for payments to the participants in accordance with the relevant participation agreements.

(E) Notwithstanding the foregoing, the "Regulatory Changes" to which this Section 506 applies will not be deemed to include any change the result of which is an Event of Taxability.

ARTICLE VI

(3) Any representation or warranty made by the Issuer or the Institution herein or in any other instrument or document delivered by the Issuer or the Institution to the Holder in connection with the sale of the Bond proves to be false or misleading in any material respect at the time it was made or deemed to be made under this Bond Purchase Agreement;

(D) This Bond shall also be subject to mandatory prepayment, in whole, at the option of the Holder, at a prepayment price equal to one hundred percent (100%) of the outstanding Principal Balance of the Bond, together with accrued interest to the date of prepayment, upon the occurrence of an Event of Taxability or an Event of Default.

SECTION 10. COVENANT AGAINST USURY. Notwithstanding anything herein or in the Mortgage or in any related document to the contrary, it is not the intention of the Holder to charge nor shall there at any time be charged or become due and payable hereunder or under the Mortgage any interest which would result in a rate of interest being charged which is in excess of the maximum rate permitted to be charged by law. This Bond is subject to the express condition that at no time shall the Issuer be obligated or required to pay interest on the outstanding principal balance of this Bond at a rate which could subject the Holder to either civil or criminal liability as a result of being in excess of the maximum rate which the Issuer is permitted by law to contract or agree to pay. If, by the terms of this Bond, the Issuer is at any

time required or obligated to pay interest on the outstanding Principal Balance of this Bond at a rate in excess of such maximum rate, the rate of interest under this Bond shall be deemed to be immediately reduced to such maximum rate and interest payable hereunder shall be computed at such maximum rate, and the portion of all prior interest payments in excess of such maximum rate shall be applied and shall immediately upon discovery thereof, be deemed to have been a prepayment of principal (which prepayment shall be permitted, and be without premium or penalty) as of the date of such receipt, and all payments made thereafter shall be approximately reapplied to interest and principal to give effect to the maximum rate permitted by law and, after such reapplication, any excess payment shall be immediately refunded to the Institution.

SECTION 11. MISCELLANEOUS. (A) This Bond shall be binding upon the Issuer, its successors and assigns and shall inure to the benefit of the Holder and its successors and assigns.

(B) This Bond shall be construed in accordance with the laws of the State. Any suit, action or other legal proceeding arising out of this Bond may be brought in the courts of the State located in Dutchess County, New York or the courts of the United States located within the Southern District of New York.

(C) This Bond may not be changed or terminated orally, but only by an agreement in writing signed by the party against whom enforcement of such change or termination is sought.

(D) The representatives of the Issuer subscribing below represent that they have full power, authority and legal right to execute and deliver this Bond and that the debt hereunder constitutes a valid binding special obligation of the Issuer.

(E) It is hereby certified, recited and declared that all conditions, acts and things required by law, the Bond Resolution and the Bond Purchase Agreement to exist, to have happened and to have been performed precedent to and in the issuance, execution and delivery of this Bond do exist, have happened and have been performed and that the issuance of this Bond, together with all other obligations of the Issuer, does not exceed or violate any constitutional, corporate or statutory limitations.

IN WITNESS WHEREOF, Dutchess County Local Development Corporation has caused this Bond to be executed in its name by the manual or facsimile signature of its Chief Executive Officer and its corporate seal to be hereunto affixed, impressed, imprinted or otherwise reproduced hereon, all as of the dated date set forth above.
